We spent many summers as children at court houses helping our mother Lucille Mehrkam going thru census records and deeds researching our family history. We also made trips to family cemeteries and did rubbing of the tomb stones to collect data.

She also was given family bibles with records in them.

She was inspired by the movie Roots.

Thomas Mehrkam wrote her a program to help her organize her research before one was available.

PREFACE

For many years of my busy life I have at odd times indulged in my hobby of searching for ancestors. I find that there is a growing interest among many to know who and what their forebears were. For this reason I have been led to compile and publish the family data I have collected in order that it will be available to others long after I am gone. I have written a simple story of a plain, good people who for political and religious reasons chose to come to a far wilderness to make their home so that they and their descendants might enjoy a measure of freedom unknown in the lands from whence they came. These courageous and adventurous souls deserve to be remembered by those of us who enjoy the rich heritage they left us. In undertaking this work I hope to contribute in a small way to the preservation of the memory of these pioneers.

I am deeply indebted to my paternal grandmother, Mrs. Maggie Lee (Forehand) Clepper, and my mother Mrs. Lela (Briers) Clepper, for much of the information contained in these pages. Mother knew the old families of this area well and enjoyed talking of them. Grandmother possessed a rich store of family tales to which I listened during my childhood. I am indebted to my husband and children for the many times they accompanied me to far off cemeteries and libraries. To Jean Anderson for her help and support and the encouragement of Ernestine and Jacqueline Jackson. Without them this book would never have been published.

Many sources were tapped in the process; letters from and interviews with family members, family notes and records, Bibles, newspaper clippings, Vital Statistics records, inscriptions on grave markers, and available publications. For research used in this study I am especially indebted to Mr. George M. Klepper, Sr. who made the Klepper Chart and has so graciously shared this work with us, and for Flossie Hines, Thelma Petty, Mrs. Len Clepper, Margarete Wood, Rev. Lawrence Clepper, Dianne Oswald, Mrs. Thomas W. Clepper, Fount Wm. Klepper, Lowell D. Klepper, Edward B. Clepper, Mrs. Alixe Taylor, and other descendents of the McAlpine, Birdwell and Duncan Families who shared their family records with me without which I could not have written this manuscript.

No doubt more could be learned, but time demands that the project be closed down. I owe my thanks to all who have so willingly helped me in the search.

In a work of this character there are invariably some omissions and discrepancies, for human memory is not infallible. Your indulgence is asked when inaccuracies are found--we tried very hard to avoid them.

I am mindful of the fact that all branches of this large family are not complete, but it would have been an impossible task to locate and record all of the descendants. I believe that any descendant not recorded can easily trace his lineage from the information I have included. It is my hope that this book will be cherished and preserved by those into whose hands it falls in order that future generations will be able to gain from its pages some insight into their roots.

KLEPPER HISTORY

KLEPPER/KLIPPER/CLEPPER/CLIPPER (Clapper, Clopper, Klopper, Kleppenger, Cleppinger, Kleppert have not been included in this History).

The name Klepper first appeared in the "List of Germans from the Palatinate" who arrived at St. Catharin's, 11 June 1709 taken at St. Catherine's and Debtford, June 15, (from original documents in British Museum Library, London, England). Bricklayer - Klepper, Conrad, age 33, wife; sons aged 9 and 12; daughter aged 5 yrs.; Catholic; "The Passengers & Immigration Lists Index", Conrad Klepper 33; England/or America 1709, 9135 p165, with wife and son 9, son 2 and daughter 5; Johann Valenthin Klepper, Philadelphia, Pa. 1766, 9041 p709; Ludwick Klepper, Philadelphia, Pa. 1846, 9300 p166, and "Pennsylvania German Pioneers" by Strassburger, Johann Valenthin Klepper is listed in the passengers list on the Ship CHANCE, Charles Smith, Master, from Rotterdam but last from Cowes. 200 souls on ships list. Arrived Philadelphia 23 day of Sept. 1766.

The "New Dictionary of American Family Names" by Elsdon C. Smith list Klepper (Ger) "One who chatters and gossips". In Dutch I'm told it means "One who rings the bell" and in German "Old Horse".

It is my belief that the Klepper's of Tn. came from the Palatine (Rhine Valley) area, as that is where most of the immigrations to America came from at the time. Palatinate was the name of two little countries of the old German Empire. The two Palatinates were one political unit until 1620. One was called the Upper Palatinate. The other was called the Lower, or Rhenish, Palatinate. The name Palatinate once referred to a castle of the German emperor. The Upper Palatinate is now part of Bavaria. The Lower Palatinate is part of Rhineland Palatinate. The former capitals were Regensburg and Speyer.

The earlest records I have found in Germany on Klepper is the birth record of Catharina Klepper born 9 Jul. 1697 daughter of Joannes Klepper & Othelia Reiberin; marriage record of a Heinrick Klepper and Anna Christina Wirsching 16 Nov. 1725 at Mosbach, Dainbach; birth record at Pfalz, Altleiningen, Evangelische for Johann Georg Klepper son of Hanss Georg Klepper and Eleonora, born 3 Apr. 1735.

The 1790 census of PA list Lawrence Klepper, & Wm. Clepper; 1800 PA census list Frederick and Michael Klepper; and 1810 PA census list Lewis G., Geo. H, Henry, Henry, Herman J, Mathias, Nickalos and Jacob Clepper (this Jacob Clepper will is filed in 1815 at Lancaster Co., PA.

The 1790 Census of TN. have been lost and the earliest records found on Klepper/Clepper are the 1809 Tax records of Hawkins Co., Tn.: George Klepper, Frederick Klepper, and Jacob Klepper. "The Early Tax Records of TN" list Samuel and James Clipper in White Co. 1811; James, Frederick, and Philip in Franklin Co. 1812; John and Jacob Clipper in Washington Co. 1819.

In the 1850 census of TN. Jacob Jr. shows his age as 59 and states he was born in PA. Peter shows his age as 50 and born in TN. This would place Jacob Sr. in PA in 1791 and TN as early as 1800.

Jacob Klepper, Sr. was born 1741 probably Germany and died 1825 Washington Co., Tn. Family legend says he moved to Maryland or Va. back to Pa. and then on into Tn. by late 1790's. 1/mar. Barbara; 2/mar to Rebecca ? born 1743; died 20 Aug. 1830. She is in the 1830 census of Wa. Co., Tn. in the household of Jacob Jr.

On 17th Jan. 1812 the State of TN issued Joseph Klipper a land grant in Hawkins Co. for 100 acres on Caney Creek beginning at Jacob Kleppers corner. Jacob SR issued a deed in Washington Co., TN. to Jacob JR on 1 Sept. 1825 on two parcial land located in Hawkins Co., Tn. for five hundred dollars. Surveyed 18th day of Mch. 1815. Beginning on the waters of Caney Creek tract containing 20 acres joining Joseph Cleppers line. This part of Tn. was a part of N.C. at one time. The early settlers of this area had held the area during the whole of the war against the British and Indians, cleared land and built houses and out buildings. After the war the politicians -- not thinking as usual -- set off a large square section of land that covered nearly all of middle Tn. as land with which to pay the NC soldiers. They then proceeded to divide it up with the result that they were running lines right through the lands settled earlier by a "first settler" -- in some cases, dividing his land between his house and his out buildings and kicking him off with no compensation for any of the improvements he had made.

Someone called this to the attention of the legislature, and they set about to correct it. They allowed those "first settlers" the same land as a soldier -- 640 acres. However, this was still not right for with only a few exceptions, everyone had to give up what he had worked on and take up land elsewhere - some guy who "served" by merely standing and waiting got the settlers years of effort, free. Over half of the grants in this section are to men who had died in the defense of the place. To add insult to injury, the surveyors could not have even divided the land without the help of the first settler. Many of them served as armed guards to protect the survey parties from the Indians and, the settlers, being there with a food supply, fed them.

If Jacob was in PA. in 1791 then he should have been in PA. during the Rev. War of 1775-1783. Strangely, I have not been able to find his name on any Rev. War Service record, and he is not found on the Tn. Land Grant Records. Within this military area there were three kinds of grants given. 1. Those to Officers and Soldiers. 2. Those to first settlers. 3. Those to the surveyors and guards for dividing it up -- as their pay.

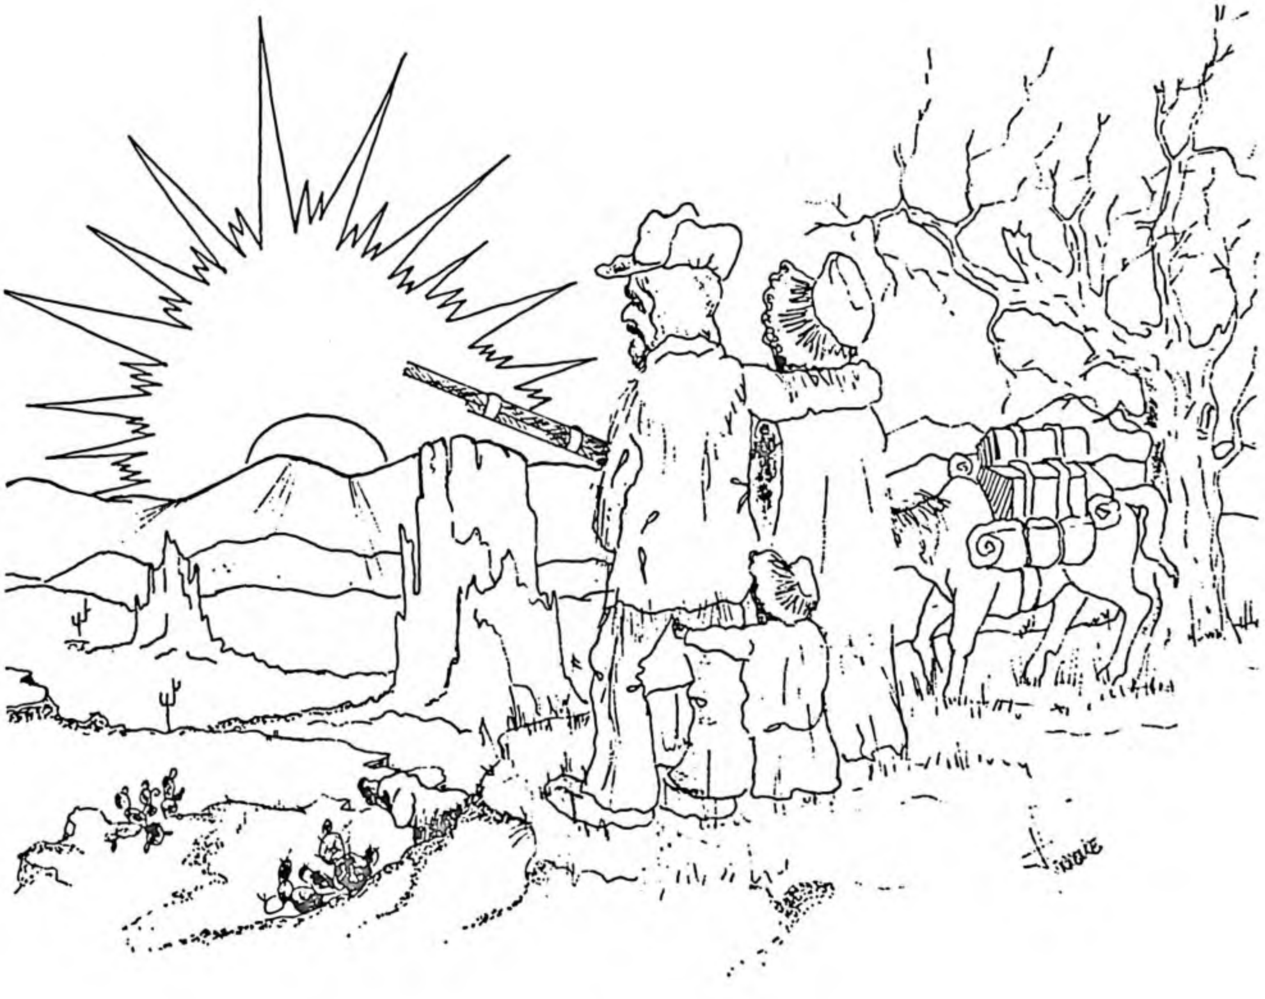
Four or five hostile Indian tribes inhabited Tennessee as late as 1800. The Blue Ridge Mountains, which form the boundary between North Carolina and Tennessee, are barriers to travel. They were more so in the early days than now. For that reason it was easier to come into Tn. from the north than from the east. Many of the settlers, therefore, came into TN. from VA. It was in fact thought by some that it was part of that state. Many German families settled in several of the counties west of Chattanooga, where some of our descendants still live.

I would like to share with you some of the facts which I have collected about the Klepper families, the first who came to Tennessee from PA as early settlers and then moving on into IL, IN., AL., MO., AR, NE, CA, OK, FL and Texas. I have gathered information far beyond my expectations. No doubt more could be learned, but time demands that the project be closed down.

Let us bring to life these pioneers who are gone, but not forgotten. This large family has contributed its share to history, not only that of the small town in Tennessee from whence they came, but also that of Texas where they settled.

These brave people came in very small ships from Germany and were able to bring few possessions with them. The journey was long and perilous, but it meant political and economic security and freedom in the end. They were willing to set sail for an unknown country, far from their families, to obtain these cherished principles. They faced a strange, rough life, but they were people of sturdy build and character, with energy and determination, and because of this they could and would succeed. Most of the men were well educated and had a trade. They were eager to learn about agriculture and to obtain land to farm and to call their own.

A log cabin, built with their own hands, was the usual first home in Texas. They plowed their land, raised cattle, hogs, and chickens. Their furniture was hand made--they sat on wooden stools without backs and slept in beds which had ropes used for springs. They shared with friends their time, efforts, knowledge, and respect, so that everyone could grow in stature. Let us reflect on the fierce loyalty these people felt toward each other, and the love they shared for Texas.



CHAPTER I

1. JACOB KLEPPER, SR., was born 14 Apr. 1741; family legend says in Germany; died 11 Aug 1828 Washington County, Tn.

1/Mar. Barbara ?

2/mar. Rebecca ?; born 20 Aug. 1743; died 20 Aug 1830 Washington Country, Tn.

Jacob's children as listed on the Geo. Klepper chart are shown below (we do not know the birth order, and we can only positively identify nine).

2. i. Samuel "Calip" Klepper.
   ii. David Klepper.
3. iii. (Augustus) Phillip Klepper b. ca 1770.
   iv. George Klepper. Killed War 1812.
   v. Barbara Klepper; mar. Andrew Ingraham.
4. vi. Frederick Klepper b. ca 1780-90.
5. vii. Jacob Benjamin Klepper, Jr. b. 13 Aug 1790 Pa.
6. viii. Peter "Henry" Klepper b. ca 1791 Tn.
7. ix. John (K) Klepper b. 1792 Tn.
8. x. Henry Klepper b. 17 Nov. 1796 Tn.
9. xi. Michael Klepper b. 10 Mch. 1798 Tn.
10. xii. William Klepper b. 10 Mch. 1798 Tn.
11. xiii. Joseph Bach Klepper b. ca 1800 Tn.
12. xiv. Christiana Klepper; mar. John LoughMiller.
   xv. Rebecca "Betsy" Klepper; DY
   xvi. Mellissa Klepper; died age 4

Family tradition says that Jacob Klepper 1/mar. in PA moved to MD./VA. then back to PA. and finally into TN. by the late 1790's. We have no proof of the date the Klepper family arrived in Tennessee, but in the 1850 census of TN. Jacob Jr. shows his age as 59 born in PA. and Peter shows his age as 50 born TN. This would place Jacob Sr. in PA. in 1791 and in TN. ca 1792.

The earliest records found in TN. for our Klepper/Clepper families are those found in Hawkins Co., George Klepper, Frederick Klepper, and Peter Klepper paid taxes in Hawkins Co., in 1809. In the "Early Tax Records of TN", James Clipper and Samuel Clipper paid taxes in White Co., Tn. in 1811, and Franklin Co., Tn. in 1812; Frederick Clipper and Philip Clipper in Franklin Co. in 1812; Jacob Clipper and John Clipper in Washington Co., Tn. in 1819.

Hawkins County lies in upper East Tennessee and extends somewhat in the shape of a parrelogram from the Virginia line to the northern boundaries of Grainger and Hamblen Counties. It is divided into two almost equal parts by the Holston River, which traverses its entire length.

The first permanent settlements within the limits of Hawkins County were made in 1772, very soon after the settlements on the Watauga were begun. They were made in Carter's Valley, a short distance west of New Canton. The settlement in Hawkins County was confined chefily to Carter's Valley until about 1780. Several stations or forts were built, and it is said that a Presbyterian Church was organized there as early as that date. It was believed to be in Va., but later became known that the lands were a part of North Carolina.

North Carolina gave the early settlers and the Henderson Company a grant of 200,000 acres. They banded together as the Watauga Assn. in 1771 and obtained deeds from the Cherokees. North Carolina in 1776 accepted the district as Washington Co. which eventually embraced all of the present Tennessee. Hawkins County was formed in 1780.

The principal villages of Hawkins County are Mooresburg, Bull's Gap or Rogersville Junction, Surgoinsville, Rotherwood, New Canton, Stony Point, War Gap, Austin's Mills and Persia.

On 17th Jan. 1812 the State of Tennessee issued Joseph Klipper a land grant in Hawkins County for 100 acres on Caney Creek beginning at Jacob Klepper's Corner. Deed dated 7 Feb. 1817 in Hawkins County, Tn. records a survey dated 18th day of March 1815 founded on a Certificate of Number 877 by the registry of East Tennessee to James P. Taylor forfeiting five acres of land dated 2nd day of Jan. 1815 the whole of which we assign to Jacob Klepper a certain tract containing 25 acres on the head waters of Caney Creek, joining Jacob Klipper, Sr. and including a part of his improvements. Surgoinsville was established by an act of the Legislature passed in Oct. 1815. It was laid out upon land owned by James Surgoin, Arthur G. Armstrong, Joseph Klepper, Jonas LoughMiller.

Deed of sale recorded Washington County, Tn. 7 Mch. 1826 from Jacob Klepper, Sr. to Jacob Klepper, Jr. (both of Washington County, Tn) for sum of five hundred dollars for two tracts of land in Hawkins County, TN. One tract containing one hundred acres on the waters of Caney Creek and a second tract containing more are less twenty five acres located on both sides of Caney Creek, including the said Jacob Klipper's, Sr. buildings and East to Joseph Klipper's line. Dated 1st day of Sept. 1825.

Klepper, Sr. Chart as Calip, the oldest son of Jacob and Barbara Klepper, but believe his name to be Samuel. The early tax records of Tn. shows that Samuel Clipper paid taxes in White Co. in 1811 as did his nephew James. Frederick, James & Philip Clipper paid taxes in Franklin Co. in 1812; Jacob and John Clipper paid taxes in Washington Co. in 1819. Peter, Frederick and George paid taxes in 1809 Hawkins Co., Tn.

He married Nancy Beverly 15 Aug 1829 Granger County, Tn., born 16 Oct. 1808; died 19 Aug. 1891 Collin County, Tx.; buried in the Old Plano Cemetery.

Joseph Clepper is listed in "The Peters Colony of Texas" by Conner as migrating to the colony as a family man prior to 1 July 1848, and settled on a company survey in present Collin County. "The Early Texas Landowners" shows a Joseph Clepper was issued Fannin Third Class Certificate No. 1109 for 640 acres, which he patented in Collin County, Tx. In the 1870 census, Matterson is listed as Madison age 7/12. In typical Tenn. mountaineer dialect this became Matterson and was how he pronounced it and was known in the community. His tombstone reflects his birth date as 1868 while the census has him born in Dec. 1869. Conclusive proof that "Mat" was son of Simeon is found in census the 1900 which showed his mother Amanda (wife of Simeon) living in his household.

Married Sarah Ann Sizemore; born 22 Jan. 1862 Hawkins Co., Tn.; daughter of Henry R. Sizemore and Catherine Lipe.; died 27 May 1936 Hawkins Co., Tn.

Letter from Lowell, "I have suspected that Michael Klepper was George's father for some years but could find the family group in only two censuses. In 1850 they are listed as House 99 in the 10th district. The family consisted of Micael, 27, Mary 34, Jane, 12, Katherine, 10, Elias, 8, Susan,

4. In the 1860 census they are listed as dwelling No. 563 in the 17th district and the names listed were; Michael, 39, Mary, 41, Susan, 12, Mollie, 8, George, 5, (unreadable-maybe Chas), 2, and Elias Courtney, 20. Since we do have the birthdate of my greatgrandfather as 15 Nov. 1855, the 1860 census seems to bear out that this was my greatgrandfather's family. However, I could not find Michael and Mary in later censuses. In the 1880 census there is a listing of Michael, age 55, but with a wife? by name of Rachel, age 41 and Charles D., 22, Margaret E.,?, John C., 3, Jane W., 1. Also the 1880 census shows newly (during the census year) married George and his wife, Sarah A (Sizemore) living in the Tenth District. Living with them at the time, was V. Turner Alvis, 18."

The land was in Hickory Cove and had been part of an original land grant to John Groves by the State of North Carolina. Elizabeth Groves gave the land to Jacob and Elizabeth Howe who willed it to the Mallerys (Mallory) and Margaret Howe.

A deed registered on 31 Dec. 1847 describes the sale of the above land bought from the Howe heirs plus some other tracts to John S. Brice for $1275.

Peter applied for a land grant on 23 Sept. 1851 and stated that he "Peter Klepper, alias Peter Henry aged fifty-nine a resident of Hawkins County, State of Tn., declares that he is the identical Peter Klepper who was a private in the company commanded by Captain William Gillenwater in the Regiment of Tennessee Volunteers, Commanded by Col. Gillard in the War with the Creek Indians. That he was mustered into service of the United States at Knoxville, Tn. on or about the 2nd. day of Oct. AD 1813, and was honorably discharged at Rogersville, Tn. on or about 8th day of Feb. 1814, that he has lost his discharge. He makes this declaration for the purpose of obtaining the Bounty Land to which he may be entitled under the Act passed Sept. 28th, 1850."

Letter dated 10 Apr. 1980 from Lowell D. Klepper states, "his great aunt Osie Klepper Altom has the theory that Peter was married three times. I'm not sure what she bases it on. However, if he wasn't his son Barney M. was born out of wedlock, if marriage date of 13 June 1813, (as stated in Peter pension records) is correct. The birth date of Barney M. is ascribed to be 12 Jan. 1813. Peter was in the Army from Oct. 1812 to Feb. 1813 and then married following summer, so; (1) Did he have 3 wives, (2) Did Catherine Myers have child (Barney) out of wedlock and then Peter finally married her five months later, If so why so long after child was born?, (3) Did Peter give wrong year to whoever filled out his pension form for him?"

Married 8 Dec 1816 Hawkins Country, Tn. to Nancy Elizabeth Gillenwater; born 10 May 1798; died 24 Apr. 1881; daughter of Thomas Gillenwater and Mary Malory Wilkins.

No tax or land records have been found in Hawkins Co. for Henry. We know he married in 1816 in Hawkins County, Tn.; according to the 1850 census at least three of his daughters were born in KY between 1819-26. Brothers, Henry, Wm. and George Klepper are in the the 1830 Vermillion Co., Indiana census. I find a Henry Klepper in the 1840 Marion Co., IN census, and a Henry Clippen (sic) and Wm. Klepper in the 1840 census of Schuyler Co., IL. Also listed in the 1840 IL census is nephew, Joseph (James) Clepper (15). In the 1850 IL census I find the following Klepper's born in TN: Henry, Michael and Wm. in Schuyler Co., and Thomas G. Klipper in Fulton Co., IL.

The Eliz. Klepper, "dismissed by letter" on the Roster of the Richardson Creek Baptist Church for 1822 is probably this Eliz. as they left TN about this time.

Letter from Milton R. Klepper to George M. Klepper dated 18 July 1933, "My Father, Gaines A. Klepper, now deceased, was born in Hawkins Co., TN. My Mother, Sarah Jane Klepper, now 84 years of age, was also born in Hawkins Co., TN., and is now living in Pasadena, CA. My Father's Father was Wm.

Klepper and I am of the opinion that his father was named William".

LDS Family Group Sheet filed in Salt Lake, Utah, (1966) by Frank Gross Adams, shows this Wm. to be son of Peter. In the 1840 census of Hawkins Co., TN., Peter has a son the correct age to be this Wm. From my research I believe he is the son of Peter .. BUT, since the Geo. M. Klepper, Sr. Chart shows him as son of Wm. Sr. and his descendants believe him to be son of Wm. Sr. I have listed him this way. He is in the 1850-60 censuses of Hawkins Co., TN. living near Peter.

As the work of rescue proceeds, it becomes more apparent that many more lives were lost than at first though possible. CHAPTER II

3. (AUGUSTUS?) PHILLIP KLEPPER (Jacob Sr.), was born ca 1770 in Pa.?; son of Jacob Klepper, Sr. He paid taxes 1809-12 in Hawkins County, Tn. on 65 acres; (as did Peter, Frederick, and George); and 1812 in Franklin County, Tn. His son James paid taxes in 1811 White Co., Tn. and 1812 in Franklin Co., Tn.

He is not listed 1830 census of Tn. I do find an Aug. Cleper (sic) on the 1830 Madison Co., Al. census with one male 5/10; 2 males 20/30; 1 female 5/10; 1 female 10/15 and 1 female 50/60. If this is Phillip's family he is not listed in the household? It's possible that Phillip's name was Augustus Philip Klepper (NO PROOF). Moses; James; and John all had sons or grandsons named Augustus.

Phillip's son, V.John Klepper was living in Jackson Co., Al. by 1836; his grandsons Moses, James & Lemuel Gilliam Clepper (sons of P.James & Christiana (Collier) Clepper were in Autauga County, Al. by 1836-37)

234. (V) JOHN KLEPPER (Phillip, Jacob Sr.), was born 20 Oct. 1798 in Tn.; son of Phillip and Temperance (Gilliam) Klepper; died 28 Aug. 1875 Bellefonte Co., AR.; buried Old Klepper place, Red Robin Ranch, AR.

On 15 July 1826 John and James Clepper purchased 106 acres (B-297) for $700 from Isaac H. Roberts and John McMurray on Battle Creek, at foot of the Cumberland Mountain bounded by Holly's Line, Wooten's line and across the public road to Holly's line. According to a deed held by Tom Martin, owner of the old Clepper house and farm, John Klepper received 2,000 acres from the state of Tennessee 9 Dec. 1830, as did his brother James Klepper. He is listed in the 1830 census of Marion Co., Tn.; he purchased land in Jackson Co., Al. June 1830; enlisted Creek War on June 1836 at Montgomery, Al. and discharged at Huntsville, Al. He is listed in the 1840 census of Marion Co., Tn. as John Klepper, SR.; daughter 10/15 and wife 30/40. Also list in 1840 Marion Co. were his brother P. James Klepper and James's son John Klepper (listed as JR).

Recorded in Deed Book E page 252 of Marion Co., Tn., is deed issued by Samuel Gilliam and John Klepper, Sr., issued on 14th day of Feb. 1844, "to John K. Tate for 55 acres on the waters of Battle Creek at the foot of the Cumberland Mountain, from a stake at James Lowery's reservation line to creek where Henry M. Rutledge's line crossed said Creek to land formerly owned by David Miller and William C. Walker sold and conveyed to William Champion and sold by him to Lemuel Gilliam and John Klepper, Sr. under grant #1243 to him the said John K. Tate, his heirs and assigns, we the said Lemuel Gilliam & V. John Klepper etc. Deed witnessed by John Klepper, Jr. and Jacob B. Turney". (This deed is a WPA typed copy from the original. I requested a copy of the original deed to be sure the name was V. John and not P. John, but the Court House has burned twice, and I was unable to get a copy of the original).

John moved to AR. ca 1844 according to deed (E-252) filed at the court house in Jasper, Marion, TN. "fourteenth day of February 1844 Samuel Gilliam of Jackson Co., Al. and V. John Klepper, Sr. of Marion Co., Tn. sold 55 acres to John K. Tate by the hand of John Klepper, Jr." (this is son of P. James).

In 1850 he obtained Land Warrant No. 10851 in Arkansas for 40 acres for his service in the Creek Indian War. He is listed in the 1850-60 census of Carroll Co., AR., and 1870 Boone Co., AR. census. His niece Lucinda Klepper, d/o P. James Klepper, married Jacob Turney, Jr., (brother of his second wife) and traveled to Arkansas with him. His brother Jacob H. Klepper followed them to Carroll County by 1860.

CHAPTER III.

233. (P.) JAMES KLEPPER/CLEPPER (Phillip, Jacob Sr.) was born 15 Feb. 1793 Nashville, Washington Co., Tn.; son of Phillip and Temperance (Gilliam) Klepper; died 1 May 1880 Hill Co., Tx.; buried Ft. Graham Cemetery, Whitney, Hill, Tx.

In 1811 & 13 James Clepper paid taxes on 1400 acres in White Co., Tn. in the bounds of Capt. William Ridges Company, as did a Samuel Clepper; he paid taxes in Franklin Co., Tn. in 1812. He is in the 1830-60 Marion Co., Tn. censuses. The 1860 census shows value of real estate $12,000 and value of personal estate (including slaves) $25,075.00. He is in the 1870 Evergreen, Washington Co., Tx. and 1880 Palo Pinto Co., Tx. censuses.

Marion Co., Tn. was formed from Indian Lands in 1817. James and his brother V.John Klepper (234) purchased 106 acres for $700 on waters of Battle Creek at the foot of the Cumberland Mountains from Isaac H. Roberts and John Mc Murray. He received land grant #8934 for 2,000 acres in 1837 from the state of Tennessee located on the west side of Battle Creek.

Marion Co. Deed Book B pg 300 (WPA) shows his name as "P. Jas. Clepper" (Court House burned and the original copy of this deed has been lost). From the Marion Co. land records we know he bought and sold land and slaves until 18 Feb. 1863 when he sold 4,700 acres to Patrick H. Jones and set out for Montgomery County, Texas, leaving one son Thomas Wesley Clepper in Marion Co., Tn.

Texas seceded from the Union on Feb. 1861, Tennessee in June 1861, joining the Confederate States. James's youngest son, Julius Jabez joined Co. A. Tn. Bat., (later part of Hood's Brigade), sons James, Lemuel Gilliam, Joseph C(ollier) and Thomas Wesley also served in the CSA, as did his grandsons Lorenzo Dow and Charles Duncan Clepper.

The Histories written largely by men and women of the North teach that that The War between the states was fought to hold the slaves. Fact, Abraham Lincoln did not free the slaves. His Emancipation Proclamation did not free Gen. Grant's slaves (Commander of the Union Army) nor one slave in non-ceceding States. It was issued as a military measure to prevent England from recognizing the confederacy, and raising the Blockade. Lincoln acknowledged that he did not care whether the negro was free or slave. He emphatically stated that he had no intention to give him political or social rights. General Lee, Commander of the Southern Army, had freed his slaves. In fact there were more slaveholders in the Northern Army 315,000, than in the Southern Army of 200,000. The slaves were freed by the XIII Amendment offered by a Southern man, John Brooks Henderson, after Lincoln's death.

In 1863, Grant attacked the Confederate positions around Chattanooga. The Confederate line stretched for about 12 miles, from Missionary Ridge to Lookout Mountain. On the first day of the battle, General Joseph Hooker drove the Confederate forces from Lookout Mountain in the "The Battle Above the Clouds". Union success in the battle finally came after three days of fighting.

It is not known if James left Tennessee with his family before or after the battle on Missionary Ridge, but it is believed he started out in a wagon train from Jasper to Chattanooga on the Alabama and Mobile Trail, going by way of Talladega and visiting with son Moses for a time. Later he probably went on to visit son James in Autauga Co., Al. James had joined the Confederate Service 2 June 1862, Co. A 56th Alabama Regiment at Montgomery, Al. He was discharged by Surgeon's Certificate at Halls Mill, 13 Nov. 1862 after receiving a cannon ball in his leg.

Hood invaded Tennessee 16 Nov. 1864. On 30th Nov., Schofield's Union forces inflicted heavy losses on Hood in the Battle of Franklin. Finally at the Battle of Nashville, Union forces smashed Hood's army on Dec. 15-16, 1864. Lee surrendered to Grant at Appomattox on 9th Apr. 1865 and on May 4th the Confederate forces in Alabama and Mississippi surrendered. The last confederate troops surrendered on May 26, 1865.

It is believed that James stayed in Alabama until the end of the Civil War; (his brother V. John Klepper was living in Boone Co., Ar. and with the war in full force in Al. it is possible he may have been in Ar. for a time). Nevertheless, I believe he stayed in Al. until the end of the Civil War before starting out on the Alabama, Choctaw and Natches Trail from Montgomery to Vicksburg; crossing La.; the Red River & the Sabine River and on to Montgomery, Tx., arriving ca 1865-6. His sons Lemuel Gilliam Clepper & Joseph C(ollier) Clepper had moved to Tx. by 1838-39 and his son John by 1857.

After the war, Radicals (Northern sympatihzers) rose to power in Texas state politics. Lawlessness gripped the state as race riots flared and the Ku-Klux Klan became powerful. From 1865 to 1869, the United States ruled Texas under a military government. After the state adopted the "Carpetbag" Constitution of 1869, Congress readmitted Texas to the Union on 30 Mch. 1870.

The first records we find of P.James Clepper in Texas are in the land records of Montgomery Co., Tx. (Deed book W pg. 28), "J. A. Kachler, Charles Clepper, James Clepper and John Clepper sold 177 acres in the Mary Corner Survey on 9 Oct. 1866" and moved to Washington Co., Tx. in the B. M. Hatfield Survey in what is now Lee Co. (Lee County formed 1874 from part of Washington Co). P.James, John, Jabez Julius, Pleasant Gilliam, Lorenzo D., Joseph C. Clepper, J. M. Fuqua, John A. Ktchler, Wm. Harris and Redick Overton were all in the 1870 Washington Co., Texas census. P.James, John, Charles D., Pleasant G., James R, Jabez Julius and Lorenzo Dow Clepper paid taxes in Washington Co., Tx. in 1872. They must have left Wa. Co. shortly after 1872. Lorenzo Dow moved on into Burleson Co., John A. Kachler to Lee Co., John to Coryall Co. and later Palo Pinto Co.; Charles D. to Grimes Co. and P.James and sons Pleasant Gilliam, and Jabez J. Clepper to Whitney, Hill Co., Tx. The first railroad came to Hill Co. in 1879 and created the towns of Whitney and Aquilla in western Hill Co.

1/mar. 12 Aug. 1812 to Christiana Collier; born 20 Nov. 1795; daughter of (Henry?) Collier; died 8 Oct. 1837 Marion Co., Tn.; buried in small cemetery beside Hy 41 between Kimball and Mt. Eagle, Tn., near the Martin Springs Baptist Church Ext. just out of Jasper, Marion Co., Tn. Her grave is marked with a headstone carved out of one piece of rock with the following engraved, "Christiana Collier Klipper departed this life on the eighth day of Oct. 1837 in the 42nd year of her age", this is the oldest marker in this small cemetery. Located at the head of her gravestone is a stone crypt, the oldest crypt in Marion County I'm told. (Wonder if this is his mother, Temperance (Gilliam) Klepper as she died ca 1826??) Also buried in this cemetery is Patrick H. Jones born 17 May 1824 and died 13 Dec. 1907. P.James Clepper sold all his land in Marion Co. to Patrick H. Jones when he left Tn. in Feb. 1863. P.James and Christiana had 13 children.

2/mar. 9 Mch. 1838 in Franklin Co., Tn. to Mary "Polly" Jones; born 20 Aug. 1809 in Tn.; believed to be daughter of Richard Jones born 1789 in Va.; Mary is in the 1880 census of Bosque Co., Tx., age 70, widow, born Tn. father born Va., mother born Ga.; died 1892; buried Ft. Graham Cemetery, Whitney, Hill, Tx. Mary & James had 8 children.

James had a total of 21 children all born Tn.

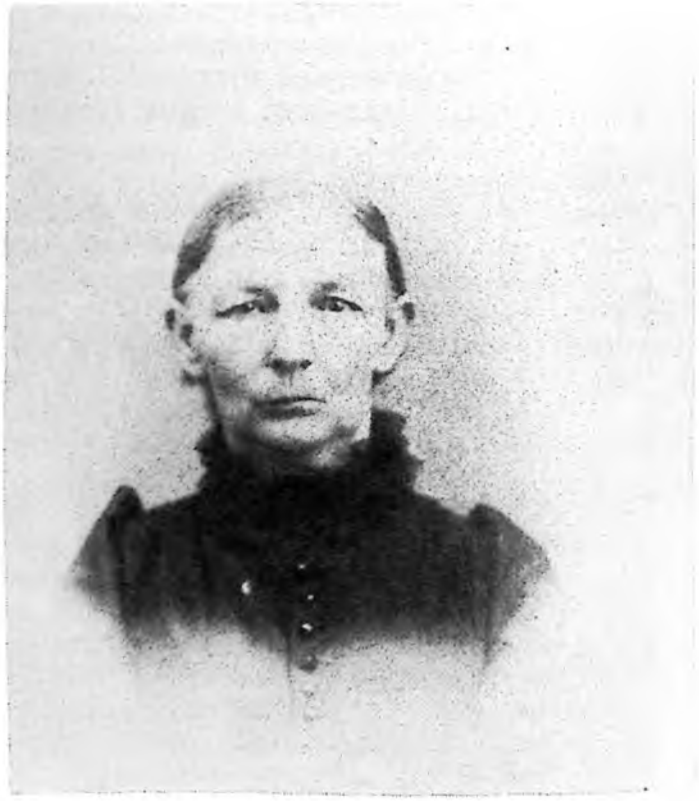
LEMUEL GILLIAM CLEPPER
1813-C1893



MARY ANN (FAULKNER) CLEPPER
1828-1895

331. LEMUEL GILLIAM KLEPPER/CLEPPER (P.James, Phillip, Jacob Sr.), was born 28 Oct. 1813 Franklin Co., Tn.; son of P. James and Christiana (Collier) Klepper/Clepper; died ca 1893 Magnolia, Montgomery, Tx. He left Tn. ca 1835 with his brother's Moses and James and moved to Autauga Co., Al.

1/mar. 21 Oct. 1836 Autauga Co., Al. to Rebecca A. T. Brodnax, daughter of Winford T. Brodnax. He left Al. shortly after, going by way of Tn. and picking up his youngest brother, 6 year old Joseph C(ollier) Clepper (337). He arrived in Texas after Oct. 1837.

In 1820, Moses Austin, a Missouri banker, traveled to San Antonio and asked Spanish officials to let him establish a colony of Americans in Texas. In 1821, Austin's group made its first settlements at Columbus and Washington-on-the-Brazos. In 1823 Austin laid out San Felipe de Austin on the Brazos as the seat of government. Other American colony founders, called EMPRESARIOS by the Mexicans, also received land grants from Mexico. Between 1821 and 1836, Texas' white population grew to between 30,000 to 35,000. In 1830, Mexican officials halted Anglo-American immigration to Texas. The American colonists in Texas revolted against Mexico on 3 Nov. 1835. After the fall of the Alamo and the Battle of San Jacinto on 21 April 1836 Texas became the independent Republic of Texas.

During Texas' 9 years as an independent republic, its population increased to 102,961. Lemuel Gilliam Clepper came to Texas during this period of Texas History. At this time the expression "GONE TO TEXAS" chalked on the doors of houses in the Southern states gave information that the former occupants had departed for the frontier Republic. Many of the immigrants traveled to Texas by Gulf steamer and schooner. Some journeyed overland by wagon or horseback, possibly with a portion of their trip by stagecoach or river boat. A few simply walked. The principal land route to Texas was the road from Natchitoches in Louisiana to San Augustine and Nacogdoches in Texas, crossing the Sabine River border at Gaines Ferry. An overland trek which took immigrants to Texas by this or any other road was not prohibitive in cost. In the late eighteen thirties or early forties, two families numbering about fifteen persons and their fifty Negro slaves removed from Alabama to Texas by wagon and horseback at a total expense of $120, a considerable part of which was spent for ferry fees and repairs to three wagons.

In 1839, Texas passed the first homestead exemption act to help debtors. Lemuel Gilliam Clepper received a third class land grant No. 291 in Montgomery Co., Tx. for six hundred and forty acres of land, by virtue of certificate, No. 383 dated 28th Sept. 1841 granted to him by the Board of Land Commissioners for the County of Montgomery, "he having proved to us that he has resided in the Republic three years, and performed all the duties required of him as a citizen". Dated 10 May 1845. (3rd class grants given to any man who arrived in the Republic after 1 Oct. 1837 but prior to 1 Jan 1840). This headright certificate was sold to G. A. Floyd in Dec. 1874.

The land records of Galveston Co., Tx. shows he purchased a Steamboat from Dan Bailey 26 Apr. 1840. He is listed in the 1840 census of Montgomery Co., Tx. and on the Montgomery Co., Tx. Military Rolls of the Texas Mexican Frontier in 1842, as orderly sergeant in Capt. M. G. McGuffin's Company; and the 1842 Tax assessors list for Montgomery Co., Tx. as having paid taxes as agt. for Winford T. Brodnax.

His small daughter Frances Christiana Clepper was born ca 1842 in Tx. Her mother must have died ca 1846 as he paid taxes in 1847 on land for F. C. Clepper, as guardian.

2/mar. 28 Sept. 1848 to Mary Ann Faulkner; born 16 Nov. 1826 in Arundid, Sussex, England; daughter of Duke and Frances Faulkner; died 15 May 1895 Magnolia, Tx.; buried Magnolia Cemetery, Montgomery, Tx. Family legend says he was running a steamboat from Galveston to Houston and met Frances when her family came from England to the port of Galveston.

Lem G. Clepper; Gen. Sam Houston, Dr. E. J. Arnold, Gwyn Morrison, A. G. Perry, John Womack and others helped organize Masonic Lodge #25 on Tue. 5 Apr. 1845. Several different histories of Montgomery Co. state that Dr. E. J. Arnold and Lem G. Clepper gave a lot in the town of Montgomery in 1837 to be used jointly by the Masonic Lodge and Montgomery Academy, Montgomery's first school. They were not Chartered until 1848. He was a Justice-of-the-Peace at Mink Beat 11, 1841; District Clerk, 1846; Justice-of-the-Peace, Precint 2, 1854; Sheriff, 1860; Notary Public 1861, 1866 (failed to qualify), 1874, 1876; County Commissioner, 1865, Precint 3, 1890; Justice-of-the-Peace Precint 3, 1890.

"The Montgomery Patriot" was published by John M. Wade, a veteran of the Battle of San Jacinto. Its subscription, to be paid in advance, was four dollars after three months and five dollars for a year. Mention of the paper indicates that it carried election returns and editorialized in favor of annexation of Texas to the United States. The publication gave the days and the schedule of arrival and departure of the stage coach and the mail, as well as the rates of postage for different distances, "District Court holden on first Monday after the fourth Mondays of March and September" county officers were "Chief Justice Gwyn Morrison, Sheriff Joseph Sheppard, District Clerk Wm. H. Fowler, Treasurer Dr. E. J. Arnold, Senator Jesse Grimes. On the first page. "We are authorized to announce Lem G. Clepper as a Candidate for District Clerk of Montgomery County".

28 Dec. 1850 the brethren and sisters in the town of Montgomery and vicinity wishing to go into a church organization, met at Montgomery. After appointing Elder J. W. D. Creath, moderator protem and Lem G. Clepper, Clerk protem, a committee was appointed to draft articles of faith for the government of a Baptist Church. "The Articles of Faith were adopted, and ordered to be entered were the names of twenty white male members and eleven female members: Elisha Uzzell, J. P. Anderson, R. F. Oliver, LEMM G. CLEPPER, Anderson Dorris, R. Simonton, Lewis Neal, Jesse Robinson, Caleb Anderson, Henry Judd, A. Lowery, John Thomas, John Fridge, Burrell Anders, G. Atkins, J. E. Dorris, Wm. On 17th May 1850 by order of the sheriff of Harris Co., L. G. Clepper purchased lands of B. T. Morris in City of Houston, commencing at corner of Rusk and Chenevert St., the said Lemuel G. Clepper of Montgomery Co. being highest bidder and on 4th Dec. 1851 he also purchased from H. Morris lot 160 block B. in the City of Houston.

After a long argument in the United States over the slavery question, Texas entered the Union as the 28th state on Dec. 29, 1845. They seceded from the Union and joined the Confederacy in February 1861, in spite of strong Union feeling in some sections of the state, Governor Sam Houston refused to take an oath to support the constitution of the Confederate States and was put out of office. On 22 July 1861 the Montgomery County 17th Brigade, Grimes County Militia was formed with Lem G. Clepper as enrolling officer. He wrote the following "Permit me to report to you a volunteer Company numbering Seventy men known as the Montgomery County Rifle Brigrade, organized as home guards under the orders issued to you by the Adjutant General Byrd, made up of poor men who cannot leave their homes but a few weeks at a time wihout having their families destitute or in want but are willing to act as minute men in case their service should be deemed necessary for a few weeks at a time, except during time of planting and making their crops and desire that you should report the following members and officers as home guards and active minute men. Should the services of said company be demanded as such. Lem G. Clepper, Captain; L. W. Smith, 1 Lt.; Wm. T. Jones 2 Lt.; H. D. Ethridge 3rd Lt." Signed by Lem G. Clepper, enrolling officer for Precinct 3, at his Prairie Home. Commissioned 20th Sept. 1861".

In "The War of the Rebellion Official Records of the Union and Confederate Armies". (1886) pg 837 Correspondence: Headquarters, Fort Hebert, Tx. 18 Oct. 1862. Col. Joseph J. Cook, Commanding, wrote "Colonel: In compliance with orders I proceeded to Galveston Island on the night of the 17th instant with one company of cavalry, under command of Captain Fulton (Debray's regiment), and two companies of Elmore's regiment, with Company C, Cook's regiment of artilley. We left Fort Hebert at 11 o'clock. When about 1 1/2 miles from Galveston City we met a detachment of men under Captain Clepper, numbering 40 men, returning from the city. Captain Clepper informed me that he had been ordered to Galveston from Eagle Grove Battery with his detachment for the purpose of arresting certain parties who had contracted to deliver marketing to the Federal fleet, etc.; that in marching through Market St., near Tremont, he discovered a collection of persons on the sidewalk. He approached them, and after a few words of conversation Captain Clepper inquired if all present were citizens. The answer was, "All except one". Immediately one of the party dressed apparently in Federal undress uniform, and who had been dodging to conceal himself, started on a run from the party toward the wharf. He was ordered to halt; refusing, he was fired upon by Captain Clepper (which shot was not intended to take effect). Captain Clepper pursued the fugitive the length of one block, shortening the distance, when he fired a second shot, at which the fugitive staggered and screamed, "Murder! Murder!". He was pursued no farther. About this time the detachment under the command of Lt. Brashear came up, when several shots were fired about the crowd of citizens before spoken of by parties unknown, but certainly not by Capt. Clepper's men. Captain Clepper, returning, found a man mortally shot, being about half-way across the street from the party. The alarm bells were immediately sounded in the city and signal lights raised on the fleet, and Captain Clepper and party retired from the city. The objects for which the expedition started having been thus unfortunately thwarted, it was deemed best to return to camp without proceeding farther, we reached the fort about 5 o'clock this morning. Signed. Jno. H. Manly."

According to Tax Records, Lemuel G. Clepper paid taxes on land in Montgomery, Harris, Walker, Ft. Bend, Limestone, Freestone, Robinson, and Grimes Co., Tx. He is listed in the 1850 census as a Dentist (a letter from "DR." Clepper to Sam Houston may be found in the San Jacinto Monument). The story goes that he had a bad toothache and could not find a dentist. He sent off for books, studied to be a dentist and hung out his shingle! He is listed in the 1860 census as a Lawyer. (another story is that he was involved in a lawsuit, wanted to know more about the law, so sent for books and became a "lawyer"). He was a Real Estate Dealer, buying and selling land from 1851 thru 1890. According to the 1858 Montgomery Co. Tax Records, he paid taxes on 5,373 acres, valued at $13,172; 1 town lot valued at $800; 26 negros valued $12,000; 16 horses valued at $800; sundries valued at $550, for a total value of $27,224. He also paid taxes in 1858 on 9,674 acres located in Walker, San Jacinto, Limestone, Freestone, Robinson, and Grimes Co. for a total value of $8,244. Total value of his property in 1858 was $35,466. In the 1860 Tax Records he still owned 6,784 acres in Montgomery but only paid taxes on five ngroes, valued at $3,800. After the Civil War, in the 1865 Tax records his total estate was valued at $12,774 and by 1867 he was down to 200 acres. He later recouped some of the property he lost after the Civil War as he paid taxes on 981 acres in 1890. He is listed as a farmer in the 1870-80 censuses of Montgomery Co., Tx.

3/mar. ca 1925 to Collie (Crosley) Lindsey; born 1876; died 1953; buried Quail Cemetery.

Sometime prior to 1892 Moses Edward Clepper, accompanied by his mother moved to, what they thought was in Texas, a farm near Olustee, Oklahoma. There they resided until 1904 when they moved by covered wagon to Collingsworth Co., Tx. They purchased a section of land west of Quail, Texas. The highlight of young Philip's early years in Oklahoma was catching an eight pound catfish with a pitchfork as it sunned in the Bogie Creek which ran through their farm. On the trip to Texas Philip rode a mustang pony.

Philip grew to manhood in Quail where he developed into an outstanding athlete. He played on the first football team ever assembled at Memphis, Texas. He was also an exceptional left handed baseball pitcher. He served a few months in the army in 1918 and later became a Model-T mechanic and ran a garage in Quail.

Moses Edward lead an uneventful life on his farm at Quail outliving two wives. His third wife, Collie Lindsey, was the only one that I ever knew. We had mixed emotions about her as she conned Moses Edward into willing all of his property to her and her grown sons.

Moses Edward was a pleasant man of stocky build probably 5' 9" to 5' 10" in height. He generally had a beard. He built his home in a hollow several hundred yards from the dirt county road. On one of our visits to see him we lost the battery out of our Model-T as we passed through his entrace gate. We did not find out about it until we got ready to leave. Model-T's did not need a battery to run, only to start. Submitted by: Kenneth P. Clepper. (310)

366. PHILIP AUGUSTUS CLEPPER (Moses, Moses, Phillip, Jacob Sr.), was born 11 Aug. 1892 Olustee, Greer Co., Tx. (what is now Olustee, Jackson Co., OK). Greer Co., Tx. formed 1886 later became Greer Co., Ok. on May 1896 (Jackson Co. formed from Greer Co. in 1907); son of Moses Edward and Ida M. (Buntin) Clepper; died 10 Dec. 1956 (DC# 68523), Wheeler Co., Tx.; 1900 Greer Co., Ok. & 1910 Colligsworth Co., Tx. Censuses.

Married 7 June 1920 to Minnie Lee (Baird) Wood; born 11 Feb. 1891 Goodwater, Al.; daughter of James Andrew Baird and Mary Francis Machen; died 19 Nov. 1969 (DC# 091425), Abilene, Taylor Co., Texas. Minnie married first Robert Wood at age 18. He was killed about 3 mo's before their daughter was born.

Philip A. Clepper married the local school "marm", Minnie Lee (Baird) Wood in 1920 and they moved to a farm near Nobeetie, Texas in 1922 taking their one year old son, Phillip Warren and Minnie Lee's daughter by a previous marriage, Dora Lee Wood. To this union was born five other children, James Armond, Edward Bruce, Kenneth Pat, Iris Eileen and Juanita Joan. Their first home, a two story wood frame house, was burned down in about 1924 when their young cousin Willis Cook inadvertantly set some magazines on fire in an upstairs closet. Dad used to always tell about Mom throwing the dishes out the window to keep them from buring up. Of course most of them broke.

A temporary two room cabin was built, to which a shed room was added. This served as our home until I believe 1935. There was only a potbelly wood stove to heat this house. We had to have so many covers over our bed that we could not move. I can remember on several occasions waking up to find a layer of snow covering our bed caused by a howling Panhandle blizzard finding the cracks under the eaves of the shed. It was too cold for the snow to melt so we were actually quite warm---until we got up!

Philip A. was an exceptionally strong man until he was stricken in his mid forties by a creeping palsy diagnosed as Parkinson's Disease. The doctors said it might have resulted from Sleeping Sickness which he was thought to have contracted in the flu epidemic of 1918.

The children of Philip and Minnie Clepper were all good students in school and also atheletic. They all were starters on the basketball teams of Brisco, Texas High School where they all attended school. Juanita went on to become an All American selection as a member of the "Flying Queens" of Wayland Baptist College in Plainview, Tx. Edward B. became the high scoring trackman in the Border Conference in 1949 as he competed for Texas Technological College at Lubbock. He had an excellent chance to make the US Olympic Team in 1948 in the Decathlon, however an auto accident knocked him out of the trials.

All six of the Clepper children, except Iris who completed training as a Registered Nurse, received college degrees. None of them chose to live on the farm. Phillip became an Electrical Engineer working several years for the Atomic Energy Commission. James is a master salesman of animal medicines; Edward an Industrial Engineer (branching into Mechanical and Project Engineering); Kenneth P. became Process and later a Cost Engineer also having abilities in writing as did his father Philip who wrote free lance articles occasionally published in newspapers in the area; Iris a Registered Nurse by training is married to an Electricial Engineer and accomplished muscian, R. R. Pair; Juanita, a teacher is married to Lee Parks a manager extraordinary for a small oil production company.

The grandchildren of Philip and Minnie Clepper have equaled and surpassed the accomplishements of their parents. Of the 22 grandchildren, 10 girls and 12 boys, at least 16 have college degrees. One of these is an Orthodontist, one a Medical Doctor; three others have Masters Degrees; one an accomplished fine artist; one an accomplished song writer and all but one (who is still in High School) have some advanced or specialized training in various fields. They are all carrying on the Clepper Family tradition often espoused by Philip Augustus, "Any job worth doing is worth doing well".

I am thankful to our hardy ancestors who came to a largely untamed land prior to the Revolution to seek out a more free way of life. They endured all manner of hardship and kept seeking opportunity as they spread from Pennsylvania to Tennseess, Alabama, Florida, Oklahoma and Texas. I am proud to be a Clepper but I am more prout to be an American!

Philip and Minnie would be quick to credit our heritage and our good fortune to God, our Heavenly Father and his son Jesus Christ as they both served him faithfully and brought up their children in the nuture and admonition of the Lord. Submitted by: Kenneth P. Clepper.

Evidently, the brothers and sisters kept in touch after the death of their parents, although separated. I had always heard, as a child, about Anna who lived in Texas. Several years ago, I came across some old pictures, when the old home place (near Dotham, Al.) was sold. One lovely, stately lady was Anna because on the back was written "Mrs. Anna Clepper" and another of two pretty little girls and on the back "Emma & Maggie". 337. JOSEPH C(OLLIER) KLEPPER/CLEPPER (P.James, Phillip, Jacob Sr.), was born Marion Co., Tn. 30 June 1830, (pension record shows born 28 May 1830); son of P.James and Christiana (Collier) Klepper/Clepper; died 14 May 1910 Caldwell, Burleson, Tx.

Joseph came to Montgomery, Texas ca 1837 at the age of 6 with his brother Lemuel Gilliam Clepper.

Texas had received her independence on 2 Mch. 1836 and the first act of the legislature on 22 Dec. 1836 was to establish the General Land Office to administer the disposition of the large unsettled tracts of land which the Republic had at its disposal. Acting on instructions of the General Land Office, a bill was passed by the legislature and signed by Governor Sam Houston on 14 Dec. 1837, creating Montgomery County - that portion of Washington-on-the-Brazos - located in the east of the Brazos River and extending to the Trinity River, including all or parts of present Grimes, Walker, San Jacinto, Madison and Waller Counties. The remnant of the Washington-on-the-Brazos colony was in the bonds of the present counties of Washington and Austin. It was logical that the first county seat should have been Montgomery. It was the oldest town, having been in Austin's original colony and having been on the stagecoach line that ran from Huntsville, Texas to Houston. In the "Montgomery County History" 1981 on page 36 is a map made by Lem G. Clepper of the town of Montgomery in 1854.

The 1850 census of Montgomery Co., Tx. shows Joseph Clepper, age 18, born in Tennessee, in the household of his brother Lem. G. & Mary Ann (Faulkner) Clepper (331). He was Justice-of-the-Peace, Precinct 2 of Montgomery Co., Tx. in 1856. The 1860 census of Montgomery Co., Tx. shows him a resident of Montgomery and his occupation as Sheriff; living in his household, two of his half-sisters, Martha G. and Temperance A. Clepper. His brother, John and wife Amanda (Birdwell) Clepper had moved to Montgomery Co. in Sept. 1857, bringing with them not only their family, but her mother Sarah (Duncan) Birdwell and the two oldest daughter's of P.James and Mary (Jones) Clepper.

He enlisted in CSA on 26 Oct. 1861 as Pvt. in Co. K, 8th Texas Calvary, known as Terry's Texas Rangers and, according to his pension record served to end of the war. Benjamine Franklin Terry obtained approval to raise a Texas Cavalry regiment and on Aug. 12, 1861 a call for volunteers went out from Houston. 1,170 men responded within twenty days. On Sept. 11, 1861, the unit was sworn in for the duration of the war. Officially known as the 8th Texas Cavalry, "Terry's Texas Rangers" left for Richmond, Virginia, but, General Albert Sidney Johnston requested the unit for his command, then at Bowling Green, Ky. The unit had the usual problems with disease, obtaining horses and equipment, and mostly restlessness. Col. Terry was killed in the Battle of Woodsonville, Ky. on 17 Dec. 1861. His body was brought back to Texas by his black body servant and buried on the home plantation. Later, a monument was placed in Glenwood Cemetery in Houston, Tx.

Under the successive commands of Col. Tom Lubbock, John A. Wharton, Nathan Bedford Forrest and David Terry, Frank's brother, the unit fought in the following Tennessee Campaigns under Gen. Braxton Bragg, who took command of the Southern forces at Pensacola, Fla., in 1861. He commanded in the battle of Shiloh, Tn. Apr. 6 & 7 and later commanded the Conf. Army of Tn. at Murfreesboro, Tn. on Dec. 31, 1862 thru Jan. 2, 1863; and defeated Gen. Wm.

S. Rosecranz at Chickamauga, Tn. on Sept. 19 & 20, 1863; He was forced to retreat on Oct. 1863 after battles at Perryville, Ky.; defeated later in the battle at Missionary Ridge (the CSA line stretched for about 12 miles, from Missionary Ridge to Lookout Mountain, the Confederates were driven from Lookout Mountain in "The Battle Above the Clouds").

In Dec. 1863 Joseph E. Johnston took charge of the Army of Tn. and in 1864 began a brilliant retreat in front of Gen. Wm. T. Sherman's advance toward Atlanta. The Atlanta campaign developed into a gigantic chess game. The largest battle occurred at Kenesaw Mountain, Ga. on June 27, 1864, and resulted in a Union setback. As Sherman reached the outskirts of Atlanta, President Jeff. Davis decided to replace Johnston, whom he thought was too cautious, by General John B. Hood. The new commander attacked the Union columns as Sherman approached Atlanta, Ga. But his attacks failed, and he took up a position in the city. Hood evacuated Atlanta on Sept. 1, 1864 and began hit-and-run raids on Sherman's railroad communications with Chattanooga. Hood boldly decided to invade Tn. in the hope Sherman would follow him. He felt sure he could beat Sherman in the Mountains. He met Schofield's force at Franklin, Tn. on Nov. 30th, 1864. He lost 6,000 men, including 11 generals killed or wounded. After his defeat, he took a position south of Nashville and waited. Thomas attacked Hood in the Battle of Nashville on Dec. 15 & 16, 1864 and won a smashing victory. On their long retreat to Mississippi, Confederate soldiers sang a bitter song to the the tune of "The Yellow Rose of Texas".

"You may talk about your Beauregard
And sing of General Lee,
But the gallant Hood of Texas
Played hell in Tennessee."

Johnston did not command again until 1865, when he fought at Bentonville, N.C.; Terry's Texas Rangers were with him when he surrendered his army to Sherman's troops in April 1865. Out of 719 men enlisted, 483 were either killed or wounded. The unit fought until the very end of the war, and only ninety men surrendered to Federal authorities.

For his service in Terry's Rangers, Joseph C. Clepper applied for a Pension (Cert.# 11188) on 16 Aug. 1904 and was approved Sept. 27th, 1905. His widow received Pension # 18764 on Aug. 2, 1910.

Joseph's father P.James and his brother John sold out in Montgomery Co. in Oct. 1866 and moved to Washington Co., Tx. In the 1870 census of Washington Co., Tx., Joseph is found in the household of Wm. & Nancy Craig, 38 years old occupation listed as Wagon Maker. He moved on into Burleson Co. in 1875 & with his nephew Lorenzo Dow Clepper (495), he purchased (Deed Book P pg 97), "a 15 horse Blandy Engine and Fixtures, one Gress (sic) Mill and, one 60 Saw Gin Stand and Fixtures, one Cotton Press and all fixtures there unto pertaining, 1 tract land containing 2 acres of which said Gin House and Gress (sic) Mill are located on and fixtures containing one water tank". Lorenzo Dow Clepper later sold and moved to Waller Co. Joseph was owner of a Hardware Store in 1880.

Married 1 Oct. 1878 Burleson Co., Tx. (pension records state 10-1-1870) to Penelope (?) Barney, widow of A. F. Barnley/Burnley/Barney. They are in the 1880 Burleson Co., Tx. census with two children, Arthur Barney age 17 and Frank Barney age 11. Penelope was born Jan. 1840/3 in Tn.

JAMES S. CLEPPER
Battle Creek Cemetery

338. THOMAS WESLEY KLEPPER/CLEPPER (P.James, Phillip, Jacob Sr.), was born 4 Mch. 1833 Marion Co., Tn.; son of P.James & Christiana (Collier) Klepper/Clepper; died Marion Co., Tn.

Married 16 Dec. 1858 to Mary Jane Gilliam; born ca 1841 Tn.; daughter of Joseph Gilliam and Sarah Brown (nephew of Temperance Gilliam that married Phillip Klepper/Clepper).

Tennessee seceded from the Union in June 1861 and Thomas W. Klepper enlisted on 19 Aug. 1861 at Knoxville, age 25 as 1 Sgt., Co. A, 4th Confederate Regiment Tennessee Infantry. He was elected 2nd Lt., Sept. 25, 1861, but resigned May 29, 1862. He re-enlisted as a private, Nov. 25, 1862 at Normandy, and later served for a time as Commissary Sergeant of the regiment. He was appointed 1st Lt. and Adjutant, Provisional Army, Confederate States, Tennessee, to take rank Aug. 25, 1864, and was assigned to the same regiment. His name appears on a Roster of the regiment for the month of Mch. 1865, but no later record has been found.

His father P.James Klepper/Clepper sold all his property in Marion Co., Tn. on 18th Feb. 1863 and started out with his second wife and children for Al., where his sons, James Jr. and Moses, had moved in 1836 and changed their name from Klepper to "Clepper". It is believed he stayed in Al. until after the CW when he moved on to Texas, where his son Lemuel Gilliam had moved in 1837 and son John by 1857, having changed their name from Klepper to "Clepper". Thomas Wesley Clepper also changed his name to "Clepper". It is not known why the name was changed but all of P.James Clepper's 21 children that we have been able to find seem to have changed to the "Clepper" spelling. It would seem that they all left Tn. except James Wesley.

David and Thornton own the Clepper Drug Company. Dave and Mrs. T. T. (Avon Farr) Clepper conduct the drug business, while T. T. is in the ever growing handle and concrete block manufacture. His father was in White Co., Tn. in 1811 and Franklin Co., Tn. by 1812. Marion County was taken from Indian lands in 1817 and his father P. James and uncle (V). John Clepper (234) purchased 106 acres for $700.00 (B-297) from Isaac H. Roberts and John Mc Murray on Battle Creek 15 July 1826.

Flossie Hines found three folders in the National Archives on John Klepper. (1) Card #24612889, Cherokee War, John Klepper, Mounted Tn. Mil, 1st Corp. Capt. Champion's Co. 1 Reg't. Tn. Mounted Mil. Company muster out roll Huntsville, Aug. 17, 1836. The first two are the service records of John Klepper (333) and the 3rd is V. John Klepper (234).

Bounty Land Claim dated 6 Apr. 1855 from National Archives for John Klepper, age 39, shows he was a private soldier in the company commanded by Captain Isaac Roberts in the Tennessee Volunteers. Voluntered at Coffee County, Tn. 16 May 1836 for six months, and was honorably discharged at Nashville, Tn. on June 1836. He further states that he is the same John Klepper that was 2Lt. in the company commanded by Capt. Willis Champion in the 2 Brigade Tennessee Mounted and Infantry Volunteers commanded by Brig. Gen. R. G. Dunlap and musted into the service of the United States 8th of July 1836. Application signed by J. H. Conatser and Sarah Birdwell. On 3 Mch. 1855 J. Minot, Commissioner of Pension Office, Washington, DC wrote "that the Bounty Land claim of John Klepper filed under the act of 3rd Mch. 1855 for service rendered under Capt. Roberts has been examined. As it is shown by documents in possession of the government, that the forces of which Capt. Roberts company furnished a part were not raised by any State or Territory; and as the benefits of the above, and all other Bounty Land acts, extend only to those who were called into service by the authoritites of a State or Territory, and have been paid for the same by the United States, or who have served in some one of the several wars in which this country has been engaged since 1790, said claim CANNOT be allowed". John Klepper wrote back to Commissioner of Pension, Washington City on Feb 20, 1856 "I see from the decision of the Secretary of the Interior of date the 18th Dec. last, and from your circular of the same date, that the claims of those Soldiers who have been rejected because their service was not performed at the act of war, will now be taken up and allowed, under the provision of the act of Mch. 1855; I therefore returned the report and your letter rejecting my claim with the request that the same be taken up and allowed. You are hereby requested to address all letters on the subject, and warrant when issued, if I am entitled, to R. B. Roberts of Altamount, Tennessee, who I have constituted my attorney for that purpose."

In Marion Co., Tn. Deed Book G pg 285 dated 29 May 1856 Samuel A. Anderson, Jr. issued Deed to John Klepper "for the love and affection I entertain for John Klepper do hereby give transfer and convey to him six negroes named Milly 32, Houston 10, Elizabeth 8, Alexander 6, Hannah 2 years and 6 months, and, Elle 15." Deed Book G dated 18th Sept. 1856 from Sarah Birdwell to Amanda Klepper, "for the love and affection I entertain for my daughter, Amanda M. Klepper, I do hereby give transfer and convey to her and her bodily heirs the following negro slaves, Will, Louisa 22 and her three children Kiscoh 4, Reuben 2 and Allen nine months." John is still in Tn. on 27 Oct. 1856 as he gave a statement to the county clerk on some land he had sold to John Smith 30th day of May 1852. In the "Old Cahaba Land Office Records and Military Warrants 1817-1853" by Hahn page 187, Military Warrants Book 320, "Monthly abstract of locations on unclaimed, unsettled lands 'subject to private entry' made for the month at date of return at the Land Office at Cahaba, Al. on military land warrant certificates, issued pursuant to the 9th Section of the Act of Congress, approved 28 Sept. 1854", I find a John Clipper applied for land in Pike Co., Al. Oct. 23rd, 1852. (V.John Klepper (234) was already in Ar. and had received a land grant for his service in the Creek Indian War, and stated that he had not received a previous grant). Is this our John???

It is believed that John and Amanda (Birdwell) Klepper left Marion Co., Tn. shortly after Oct. 1856 with their family, her mother Sarah (Duncan) Birdwell and nephew John Brown Birdwell and his sister Mary Jane Birdwell for Arkansas, probably going thrugh Boone Co., Ar. to visit with John's uncle V.John Klepper (234), and his sister, Lucinda (Klepper) Turney (334).

John Birdwell and his sister stayed in Franklin Co., Ar., and John Klepper with his mother-in-law set out for Texas where his brothers Lemuel Gilliam (331) and Joseph C(ollier) (337) Clepper had moved ca 1837/8 and Amanda's grandfather John Birdwell had moved from Al. to Rusk Co., Tx. about 1847/8. Arriving in Montgomery Co. by 12 Sept. 1857, he purchased two tracts of land from N. B. Thomas, 177 acres in headright of Jas. Gibson and 179 acres in W. Johnson Survey.

His father P.James Clepper left Tn. ca 1863 and after staying in Al. for a time moved to Montgoemry Co., Tx. ca 1865/6. John and his father sold out in Montgomery Co. in Jan. 1867 and moved on into Washington Co., Tx.

John's father, P.James Clepper moved to Whitney, Hill Co., Tx. were he died in 1880. John lived in Coryell Co., Tx. from 1872-7. He purchased land 23 miles west of Gatesville on the waters of House Creek. According to a letter dated 23 Oct. 1979 from Bettie Rexroat, "I wrote to my mother before she died and ask her to tell me what she knew about the Cleppers, she wrote me that when the Cleppers were in Coryell County located on the Cow House Creek, a big flood came and destroyed all their houses and everthing. They got out alive, but no food, cattle or anything and they were about to starve so they tried to buy a yearling to kill and eat and no one whould sell them any, so as cattle were running at large they killed a yearling and skinned it and hung the hide on a bush and wrote on a sign, if anyone would claim the hide that they would pay for it but no one ever claimed it". My first cousin said she has my great grandpa John Clepper's Bible that our grandmother Amanda (Hamilton) Clepper had given to her in 1926. The bible is water damaged and on the flyleaf is written "In the overflow of the Lampasas River in 1872". My cousin said Amanda lived with her grandfather Wm. Marshall and Amanda (Hamilton) Clepper after John's death and she remembers her grandmother telling her how unhappy she was. She went to visit her son, Charles in Grimes Co. and died"; John and his sons, Wm. (500) and Lemuel C. Clepper (497), purchased land from the State of Texas in Palo Pinto Co. in 1879.

500. WILLIAM B. MARSHALL KLEPPER/CLEPPER (John, P.James, Phillip, Jacob Sr.), was born 26 Jan. 1852 Marion Co., Tn.; son of John and Amanda M. (Birdwell) Klepper/Clepper; died 21 Apr. 1909 Brad, Palo Pinto, Tx. He is in the 1860 Montgomery Co., Tx. and 1870 Washington Co., Tx. censuses; paid taxes in Montgomery Co. for years 1877 & 1878.

According to the land records on file at General Land Office in Austin, Tx. "28 Apr. 1874 W. B. Clepper applicant, and John Clepper and D. A. Hammack witness, filed #1533 Milam Preemption for 160 acres on the line between Coryell and Lampassas Counties, about 24 miles S 25 West from Gatesville beginning east from the SW corner of J. W. Harris survey. Chain barrier C. Clepper (496) and W. Clepper." Marked Abandoned for proof, see 3775 Milam Pre., 3-7-1875. "Texas Land Owners" by Giles shows W. B. Clepper received a land grant in Milam Co., Tx. He purchased land in Palo Pinto Co., Tx. in 1879, as did his brother Lemuel C. (497) and his father John.

Mrs. Paul Rexroat said her mother told her that her father's name was Wm. (Bill) Marshall Clepper, I ordered a copy of the Coryell Co. land records and the deed reads Wm. B. In her article published in "Palo Pinto Co. History", she wrote "The first duties of the boys was to herd a flock of about 100 geese, an important addition to the usual livestock of a frontier ranch. The geese had to be protected from wolves, panthers and rattlesnakes, so the boy who herded the geese carried a .22 rifle. Every six weeks the geese provided fun for all the family, when they were penned up and picked. Mrs. Clepper gave each of her eight children a feather bed and pillows to start housekeeping. Amanda Clepper ministered to many of the sick in her community, serving as a midwife and numerous other duties performed by doctors. She was called out at all hours of the night and she always responded, going either by horseback or by horse and buggy. Often one of the older children would accompany her. She was a devoted lover of flowers and always had a flower garden."

He came to Texas with his father ca 1856 at the age of 16. He joined the CW at Montgomery, Tx. on 10 Oct. 1861 (his age listed as 19) in Capt. R. F. Oliver's Co., 5th Regiment Texas Volunteers. He is listed as Sgt. in Co. K 20th Reg't. Texas Infantry on Dec. 1864, on leave for 30 days. His discharge date is not given.

Married 17 Oct. 1866 Montgomery Co., Tx. to Mary Jane Mc Alpine; born 18 Oct. 1844 Marengo Co., Al.; daughter of Archibald Brown and Eliz. Jane (Edwards) Mc Alpine (812); died 29 Apr. 1920 Grimes Co., Tx.; buried Fields Store Cemetery, Waller, Tx.

Charles sold out in Montgomery Co. in 1866 and moved to Washington Co. with his father John and grandfather P.James where he paid taxes in 1868. Mary Jane's father, Archibald B. Mc Alpine died 22 Jan. 1867, and they moved back to Montgomery Co. to be near her mother. He paid taxes in 1868-75 in Montgomery Co., and listed in the 1870 census of Montgomery Co., Tx. His grandfather, P.James Clepper moved to Whitney, Hill Co., Tx. where he died in 1880. His father, John Clepper moved to Coryell Co. 1872-78. His brother Wm. B. Marshall Clepper (500) received a land grant in Milam Preemption (in what is now Coryell Co.) on 7 Mch. 1875 and Charles is listed as chain barrier. It is possible that he lived in Coryell Co. for a short time.

Mary Jane (Mc Alpine) Clepper's great uncle, Dugald Mc Alpine (807) lived at Whitehall, Grimes, Tx. and passed away on 31 May 1876. His estate was settled in 1876/7. According to Grimes Co., Tx. deed records, Book O page 21, Mary Jane received 6/11 of 1/30 or 156 6/10 acres of land and $58.30 in the division of the estate of Dugald Mc Alpine. First being 108 6/10 acres in Caleb Wallace League, lot 17 of Dugal division; second, 47 acres in the J. E. Groce league being SW corner 114/52 of map survey of McAlpine town. Charles and Mary Ann purchased 60 acres in 1881 from A. B. Mc Alpine, Jr. (946), located in the J. H. Kewley Survey, being lot 124/2 of the Dugald division.

Charles D. paid taxes in 1878 in Grimes Co., Tx., and he is in the 1880-1910 censuses of Grimes Co., Tx. They lived in Grimes Co., until ca 1881 when they moved back to the old Arch. Mc Alpine place about 3 miles north of the town of Montgomery to be near town in their old age. Mary Jane became homesick for her children, and they moved back to Grimes Co. where they died.

→ 568. WILLIAM WESLEY MORRIS "Bill" CLEPPER (Charles, John, P.James, Phillip, Jacob Sr.), was born 3 Mch. 1872 Montgomery Co., Tx.; son of Charles Duncan and Mary Jane (Mc Alpine) Clepper, Sr.; died 9 July 1936 Hockley, Waller, Tx.; buried Macedonia-Springer Cemetery.

Married 1 Aug. 1894 Waller Co., Tx. to Maggie Lee Forehand; born 27 Sept. 1876 near Hillsboro, Hill, Tx.; daughter of James Wesley Forehand and Louise Virginia Stifflemire. Maggie was born near Ft. Graham where Wm.'s Great Grandfather P.James Klepper lived. So it would seem that the Forehand's and Clepper's were neighbors, not only in Tenessee but in Texas. Maggie died 27 Jan. 1968 Hempstead Hospital, Waller Co., Tx.; buried Macedonia-Springer Cemetery.

Bill moved from Montgomery Co. to Grimes Co. with his father ca 1878 and on into Waller Co. ca 1891 and share cropped with his Uncle Lorenzo Dow Clepper (495); He purchased a farm in the N. Minionde Survey and resided there until his death. A pear orchard planted by "Bill" in 1896 remains, in part, on the place today.

The day school was out my brothers, Edgar, James and I headed to Grandma's and stayed until the day before school started. Grandpa loved to squirrel hunt and always had one of the best hunting dogs in the county. He had lots of goats and sheep. The lead goat always had a bell and since his hearing was poor, he would take one of my brothers or me when he went looking for the goats, so we could hear the bell. He always had his old gun and his hunting dog with him, and sometime we would be gone most of the day. On the day my oldest brother was 15 he came to Houston and purchased a hearing aid. We lived near the RR tracks and I remember how thrilled he was to be able to hear a train whistle. He was so excited he could not wait to get home and hear Maggie's voice, but when he reach home grandmother was in the garden and as he started toward the garden, he had a heart attack and died. He was loved by all his children and grandchildren.

Grandmother's house was the meeting place for all the Clepper cousins. She cooked over an old wood stove, and always had lots of good food. In the evening we would set out on the old back porch and she would tell us about the Indians and wolves. Ernestine remembers when she was tiny, Grandma rocked her to sleep, yodeling the famous "Cattle Call". No one else could sing and yodel that tune quite like she did.

After Grandfather's death she sold the home place to daughter, Elma and moved to Waller. She always said that she was not going to leave anything for her children to fight over. If she had $.50 left when she died, she was going to swallow it and take it with her. A few months before she died she started giving all her personal things to different members of the family as they came by. She always made you feel welcome and loved. She was a very special person.

She attended grade school and helped tend her six younger brothers and sisters. She joined the Joseph Christian Church in 1917; attended Sam Houston Normal Institute at Huntsville in 1919-21; was runner-up for Miss SHNI Beauty Contest; became certified to teach. She taught at Field's Store, Decker's Prairie, Heights Annex, Spring Branch, Addicks, Waller, and last at Aqua Dulce in the Rio Grand Valley. see p. 352

Married 18 May 1922 Harris Co., Tx. to George Ernest Lloyd; born 20 Mch. 1890 at home in Montgomery Co. on the Waller-Magnolia Rd. at Hegar, Tx.; third living child of George Walter Loyd/Lloyd and Sarah Eliz. Alford; died 29 Jan. 1967 Hockley, Tx.; buried Macedonia-Springer Cemetery.

In 1900 Ernest attended the Glass School. His teacher, Edna Rodman, gave him good grades on his report card. As a young man, he helped his parents on the farm, with the crops, the syrup mill, etc. He sometimes worked for the county, constructing roads, and hauling water and logs. Served in World War I as Pvt. in Tx. Co. C 20th BN US Guards. He was stationed at Fort Sam Houston in San Antonio. He carried a Bible in his shirt pocket given him by a dear friend, Minnthe Anderson.

Ernest and Elma moved to Houston and during the Depression years helped his brother, Peachman Lloyd, in his restaurant. They also worked for Henke Pillot with their dougle-cousins, Ellis and Fannie Corgey. Ernest worked as a guard and tended the animals at the Houston Zoo, and did construction work with Mr. Herbert and Mr. Hertzog, who owned a lumber yard on Washington Ave. They built a home on the corner of Westcott and Durham in the Camp Logan Addition. Feeling the need for more business training, Elma enrolled and graduated with honors from Massey's Business College.

In 1936 they rented their home, and moved to Hockley, where Ernest built a farm on Hockley-Katy Rd. He became very interested in politics, and was elected Justic of the Peace, Pct. 7, Harris Co. for several terms. In 1944 they moved back to Houston, and Ernest was employed as a Security Guard at the Port of Houston until WW II ended. He next became a licensed Real Estate Dealer and helped develop parts of the Spring Branch area. Elma received a license as a Real Estate Broker and Appraiser. Throughout her life, one of her hobbies was drawing house plans for my father, a carpenter, to build.

Ernest was active in The Odd Fellows; Lions International and, American Legion. He was a member of the Church of Christ, and the Democratic Party. Not having any sons, his nephews would often take him on business trips (he loved to travel); and they would include him on hunting trips, because he was an excellent camp cook. He was very affectionate and supportive toward all of his relatives. He was very proud of each one's accomplishments. He always looked to the future and PROGRESS was his lifetime goal.

Elma loved growing flowers and always had a beautiful yard in bloom. Before she became a mother, she was an excellent seamstress and an excellent artist, and she presented a number of lovely oil paintings to members of her family. As the eldest of a large family, she learned charity at an early age. She was a very "giving" person. No visitor ever left her home with empty hands. There was always a gift for each one to take home.

In 1951 they returned to Hockley and lived on the Macedonia Rd. on land bought from her mother, Maggie (Forehand) Clepper. Lovingly submitted, Ernesting (Lloyd) Jackson.

Married Waller Co., Tx. 22 Dec. 1935 to J. Alton McWilliams; born 11 Feb. 1912 Tx.; son of Robert Lee McWilliams and Martha Edna (Jones) McWilliams McLean.

Gertrude was the baby of the family and was adored by her older brothers and sisters, and was Elma's special pet. When Elma went off to college, Gertrude spent her days following her father's footsteps.

When Maggie was hospitalized with "Blood Poisoning", Gertrude went to Houston and lived with Elma and Ernest Lloyd and attended George Washington Jr. High School. After finishing school, she lived for a time with Jim and Lela.

Gertrude and Alton managed and maintained the bus barn for Waller ISD for a number of years. They moved to Sweetwater where Alton worked as a Fireman on the railroad. Returning to Waller, they bought the Waller Funeral Home, and later the Hempstead Funeral Home, and Gertrude became a Licensed Mortician. They opened a flower shop, insurance office, ambulance service and monument yard. They devoted their lives seven days a week -- twenty-four hours a day to answering calls for help, from people in emergencies and bereavements.

Alton loves to fish and has spent every possible moment he can, from the business, fishing. He is a Master Mason, and twice Past Master of the Waller Lodge. He is to receive his 50 year pin at the Grand Lodge in Australia in November of 1986. Gertrude's greatest attribute is strength and steadiness in times of crisis. She is a devout Christian, praying and studying her Bible. She is an active member in the Baptist Church and the Eastern Star.

The McAlpine portion of this book is dedicated to

Maude (McAlpine) Siddall

Lela (McAlpine) Wood Fahey

Sterrett (McAlpine) Driscoll Terry.

It was the spadework of these three sisters that is the basis of the data here presented. These daughters of Dr. John A. McAlpine all worked on their family tree lines, and they interchanged material with each other constantly. They did more research on their mother's side of the family -- she was Willie Cabeen Cameron -- than on their father's. The fourth sister who lived a full life span, Bess McAlpine Braunig, did not do research, but she was interested. Her good-natured husband, Hubie, laughingly said that whenever he was out for a drive with the McAlpine sisters, they were bound to visit a cemetery somewhere. Cousin Bess Wagstaff, daughter of W. K. McAlpine of Galveston, did a great deal of McAlpine "digging", but most of her material was destroyed when her home burned.

When I was in my twenties, I asked Aunt Sterrett to make me out a McAlpine family tree, so I could get straightened out all the relationships I heard mentioned. I knew there were lots of families "out on the Prairie" (Wallace's Prairie) that were kin to us, but I didn't know how. Months later she gave me a ten page outline, and that is the basis of this present account. From age 90 to 100 Aunt Maude gave me as much oral history as she knew, about all the branches of the family.

During this time Aunt Maude, who was blind then, asked me to answer a query from Lucille (Clepper) Mehrkam, and when I did, that's when we were in business. Lucille had a mass of information she had dug from Clayton Genealogical Library, while I had an extensive oral history. Each of us needed what the other had, and we have been collaborating ever since. She has un-earthed a great deal more information, starting with a report from a North Carolina researcher on the records of our immigrant ancestor, Malcolm McAlpin. In particular, her research has brought to light and clarified the approximately forty year period when the bulk of Malcolm's descendents lived in Alabama. Another line of McAlpins lived in Alabama at the same time and roughly in the same area, and still do. A current family researcher of this line, Doris (McAlpine) Russell, has "straightened out" their line, and this has solved some of the Alabama relationships which were so baffling to my aunts and to Cousin Bess Wagstaff.

In conclusion, all who read this can be grateful to the many, many who have contributed information.

McALPIN FAMILY HISTORY

- Lucille Clepper Mehrkam

History divides the early Aryan peoples into five groups -- one of these groups, the Celtic, was made up of Gauls, Britons, Scots-Irish and Picts. The Irish, Welsh, Scotch-Highlanders and the Britons of Brittany, in France, are the present-day representatives of the ancient Celts.

The name McAlpin is Celtic; the prefix Mac, Mc, or M' signifies "of", or "son of," so the name, originally "Alpine," means "Son of Alpine," Alpine, of course meaning "of the Hills" -- or Alps.

Genealogists say that the progenitor of the McAlpin Clan crossed over from Ireland to the Highlands of Scotland with the Dalriadic Scots. Authorities generally agree that the clan was one of the oldest in the Highlands, and that out of it grew a number of other clans that had their origin in given names; as, McGregor, "Son of Gregor," who was a son of Kenneth McAlpin; McKinnon (with variations, McKinney, McKinning, McKinven, and others).

The traditional home of the McAlpins was Dunstaffnage, near Oban, Argyllshire. The ancient crest was a boar's head, (a crowned head became the crest after the Clan was made the royal one). The emblem was a pine tree, the Gaelic motto and war-cry, "Cuimhnich Bas Ailpeein," meant "Remember the death of Alpine." The Alpine alluded to was a chieftain or "King" of the Clan, and was murdered by Brudus, after the defeat of the Scots by the Picts, near Dundee, in 834.

Description of Tartan: The Clan plaid was a combination of inconspicuous colors, against a background of greenish-grey and was probably chosen in the days of Clan warfare for reasons of strategy and safety. It is said that the colors blend perfectly with the colors of the heather and this made it easy for the warriors to hide themselves in the heather on the hill-sides almost under the feet of the enemy. Sir Walter Scott mentions this in foot-notes to "The Lady of the Lake," used as a text-book.

In 839, the Danes, invaded the territory of the Picts and defeated them. Two years later, the first centralized government was organized, by the Scots, in Argyle, under Kenneth McAlpin, as king. He was a son of the "Alpine" of the clan motto. In 844, he became king of the Picts also, at Scone.

The actual kingdom of Kenneth McAlpin comprised only a limited part of modern Scotland. It consisted of Argyle, the counties of Perth and Fife and parts of Dumbarton, Forfar and Stirling, with Scone, the Mofunt of Belief and Rayalty, as its chief seat.

The McAlpin line ruled in Scotland from the beginning of the reign of Kenneth, in 841, until the death of Margaret, "The Maid of Norway," in September 1290.

The earliest records I have found in the New World for the McAlpin family are in 1730 in North Carolina. "Providence of NC 1663-1729 Als. of Land Pattened," pg 24, Book 2, "Edward Moseley Esq. on 6 May 1730 received 1,875 acres in Bath Co. on East Side of NE branch of Cape Fear River a small distant above Rocky point, joining woods, the mouth of a small Gut about 3 quarters of a mile above Rockey Landery, James McAlpen, and the river including a large island etc". "Passenger and Immigration Lists Index Vol. 2" list a Robert McAlpin to New York State in 1740; Wm. Mc Alpin of Sterlinshire, Scotland, will was filed on 7 Nov. 1847 in NC. A North Carolina land grant was made in 1749 to John McCalpin and a grant in 1751 to Robert McCappen in Anson Co., NC, on N. Side of Catauba River. "American General - Bio. Index", lists Geo. McAlpin, James McAlpin, John McAlpin 175? New York, and Geo., Peter, Walter and Wm. in Sabines Loyalists in the Rev. War. * Alexander McAlpin of SC & GA and his son Robert also fought in the Rev. War. Alexander McAlpin Sr. was in SC by 1763. He has many descendents in the South, especially in Alabama, and his line is well documented. - See also end of article -

The Colonies of North Carolina and Virginia had a prolonged and bitter dispute about the boundary between the two colonies until ca 1728. North Carolina gained virtually all of the region in dispute. About this time (July 25, 1729), North Carolina became a Royal Colony, when 7 of the 8 Proprietors - at their own request - sold their shares in "Carolina" to George II. The history of the royal colony of North Carolina from 1729 to 1775 was characterized by a steady and rapid growth of population; the settlement of the Cape Fear Valley and the piedmont. During the royal era, Scotch-Irish, Germans, Scottish Highlanders, Welsh, English, and a few other national stocks poured into the Upper Cape Fear Valley and into the back country. Settlements reached the "foot of the mountains" by 1760 and soon pushed across the mountains.

The earliest, largest, and most numerous settlement of Highlanders in America was in the years between 1729 and 1775. The Highlanders came into the Cape Fear Valley in large numbers, particularly after their defeat by the British at the Battle of Culloden in 1746. Campbelltown was incorporated in 1762 (renamed Fayetteville in 1783).

The early land records of Bladen, Cumberland and Robeson Co., N.C. show that in July 1774, Angus McAlpin received a 100 acre grant on SW side of Great Creek; Aug. 1784 he received a grant for 200 acres on S. Side of Great Creek; and 50 acres on E. Side Cape River. In the same counties, our immigrant ancestor, Malcom McAlpin, purchased on Aug. 1785 one hundred (100) acres on Middle Swamp from Archibald Sellers in Bladen Co. on Cumberland & Robeson Co. line. Robeson Co. was formed in 1786 from Bladen Co. We know Malcom was not in the Rev. War because Rockingham, NC descendents told this to Sterrett McAlpine Terry when she visited there in the 1930's.

The membership list of "The River Meeting House", on EAST side of Cape Fear River for year 1777 (name changed to Bluff Presbyterian Church when it was moved to the Bluff ca 1783), shows taxables for 1777, Angus McCalpan, 6 shillings and Malcom McCalpan - 10 shillings. State Census of NC for 1784-87 lists, Archibald McCalep, Black River Dist, New Hanover Co., 1786. "Loyalist in NC during the Rev. War" by Demond lists James McAlpin, John Hamilton McAlpin, and Capt. Donald McAlpin age 48 born Scotland. The NC Gazeteer states that Ruhert, a community in Robeson Co., NC had a McAlpin Grove until - Go visit - 1947 when the name was changed. James McAlpin, for whom the community was first named, is said to have been a Scottish officer in British Army during the Rev. War. He remained in NC and became a school teacher in the community, which came to bear his name.

McAlpins found in the 1790 census of the United States: Hartford Co., Conn., John McAlpine; New York, Daniel, Janeco, and John McAlpin; South Carolina, Chester Co., Camden Dist., John McAlpin; North Carolina, Fayette Tws, Cumberland Co., Angus, John, and Neil McAlpin; Fayette Tws, Robeson Co., Malcolm (our ancestor), Alex'r, and Neil McAlpin; New Bern Tws, Craven Co., Margaret McAlpin; Dobbs Co., Robert McAlpin; and Chowan Co., Wm. McAlpin. It is not known what connection, if any, these McAlpins are to our Malcolm but we may have been brothers.

do feel that Neil, Malcolm and Alexander listed in the early Bladen Co., Tax records and 1790 Robeson Co., NC. census ~~were~~ brothers. It is also possible that Angus listed in the 1790 Cumberland Co., NC may have been a brother~~s~~. NO PROOF.

We do know that the Robert McAlpin in Dobbs Co., NC is the son of * Alexander McAlpin, Sr. that settled in Abbeville Co., South Carolina in 1763. Alexander and family moved to Wilkes Co., Ga. during the early 1780's.

*This Alexander was an immigrant and came here, we estimate, about 15 years before our immigrant ancestor, Malcolm.

800. MALCOLM McALPIN, was born before 1755 in Scotland?; died between 1820-30 in Robeson Co., N.C.

Married to Mary Smith; before emigrating- born before 1755 in Scotland?; died before 1820 in Robeson Co., N.C.

The documented history of our McAlpin/McAlpine Family of Texas has its beginning in Bladen Co., NC (now Robeson Co.) when Malcolm and Mary (Smith) McAlpin paid taxes in 1777 of 10 shillings. They purchased 100 acres on Middle Swamp Aug. 1785 from Archibald Sellers on Cumberland and Robeson Co. lines.

We have always been told we were Scotch-Irish, and we all believe we came from Scotland. In these later years, some of us have learned the history from which the term "Scotch-Irish" derives; and we wonder if our line ever lived in Ireland, or even if our immigrant ancestor, Malcolm McAlpin, came from Ireland.

Our oral tradition tells us that Malcolm McAlpin and Mary Smith were married before they came here, and that they had two little boys, one of whom died and was buried at sea on the trip over. We think one of these boys was named Angus. A later one of their 12, 13, or 14 children was named Angus.

We think Malcolm and Mary arrived shortly before, or during the American Revolution, and we are reasonably sure Malcolm did not participate in it, on either side. We think they arrived at Charleston, SC but soon moved on into NC, "settling on the line of what is now Robeson and Cumberland Counties". Robeson County was formed from Bladen Co. in 1787. The Malcolm McAlpin household in the 1790 Robeson Co., N.C. census shows 6 sons and 2 daughters: 6 males 16/up; 1 male 0/16, and 3 females.

In Robeson Co. Land Records Deed (Bk.S p.197) dated 1819, Malcolm deeds 285 acres on Big Middle Swamp to Malcolm McAlpin, Jr. and gives a slave each to son Malcolm, Jr. (Bk.S, p41), to son Angus McAlpin (Bk.S, p.181), and one slave to sons Dugald & Angus McAlpin (Bk.S, p207).

The 1800 census of Robeson Co., NC shows Malcolm and wife were born before 1755 and therefore he was at least 64 years of age when he deeded the above property in 1819. He has 11 children in his household in 1800: 4 males 16/26; 2 males 10/16; 3 males 0/10; 1 female 10/16 and 1 female 16/26 (9 sons and 2 daughters). "Soldiers of War 1812 in NC", serving from Robeson Co., Robert McAlpin, Daniel McAlpin, Angus McAlpin, Malcom McAlpin. NO PROOF but believe this Angus and Malcolm are the sons of Malcolm, Sr. What records & what yrs in

The list we have of the children of Malcolm and Mary are as follows: ANGUS I, JOHN b ca 1777, WILLIAM, MALCOLM b. 1786, ARCHIBALD, MARY m/1 Alex Campbell m/2 Zedekiah Edwards b. 1778, ANGUS II b. ca 1790, KENNETH, NEIL, DANIEL, DUGALD b 1795, DUNCAN, GILBERT and ALEXANDER?. We do not know the birth order, and we can only positively identify seven.

All Malcolm's known descendents migrated westward except two granddaughters (daughters of John; Elizabeth, married R. T. Long; Mary, married John Moody). It is not known when the spelling of the name was changed from McAlpin to McAlpine but all the present day descendents of Malcolm have added the "e".

801. GILBERT McALPIN (Malcolm), we have no record of Gilbert's age. We do know that he was a son of Malcolm and Mary (Smith) McAlpin. In the Horry District Marriage Bonds of SC, he is listed as bondsman on the marriage record of John McAlpin and Susanna Anderson in 1804. He is not found in the 1810 census of SC or NC.

Only proof of this is being bondsman for John's marriage so I'd say, "we believe" he was a son of Malcolm & Mary.

802. JOHN McALPIN (Malcolm), was born ca 1777; son of Malcolm and Mary (Smith) McAlpin; died Richmond Co., NC. in Dec. 1827.

Married 5 June 1804 Horry Co., Georgetown Dist., SC to Susanna Parilla Anderson; born 1790 in Georgetown Co., S.C. (Horry Co. formed from Georgetown in 1802); daughter of Jacob and Rebeckah (Mansfield) Anderson; died 17 Aug. 1872 Grimes Co., Tx.; buried Fairview Cemetery. Susanna married second Edward Long. in North Carolina.

John is not found in the 1810 census of SC or NC. He is in the 1820 census of Richmond Co., NC, age 26/45, and living in his household, 2 males 10/16; 2 males 0/10; 2 females 26/45; 1 female 10/16, and 3 females 0/10. His will was probated in 1827, Richmond Co., NC.

In the probate records of Richmond Co., NC in the July Court Session of 1828, Susanna states that John McAlpin died intestate sometime in Dec. 1827, that she is the mother of 7 children and requests an allowance from the estate. On 23 Jan. 1828 John Moody is appointed Administrator. In the Oct. Term of Court 1829 Joshua Lee (one of the securities of John Moody), petitions claiming that John Moody is managing the estate in a wasteful and careless manner.

John Moody, son-in-law

Susanna is listed in the 1830 census of Richmond Co., NC with 6 sons and 2 daughters. On 11 Nov. 1837 Alexander S. McAlpin gives up all claim to land (BK P, pp 15) which he now has (by inheritance) and of John Moody and his wife to land of which his father did possess on Hitchcock Creek and whereon his mother now lives to John A. McAlpin. On 12 Jan. 1838 Archibald B. McAlpin gives up all claim (Bk P, pp 153) to land which he now has (by inheritance) to John A. McAlpin; 15 Jan. 1838 he gives up any claim (Bk P, pp 156) "I have in my father's and mother's estate so far as negroes of said estate". On 27 Sept. 1839 John Moody of Montgomery Co., in right of his wife Mary Ann, gives up his claim (Bk P, pp 385) to John A. McAlpin in the late John McAlpin, Sr., decd. estate. On 13 Mch. 1841 John A. Mc Alpin sells (Bk R, pp 41) to Edward Long "a certain tract or parcel of land composed of three different tracts of land and five claims of the heirs of John McAlpin decd., to wit: John Moody and wife, Alexander McAlpin, R. T. Long and wife, Archibald McAlpin and myself ... 145 acres".

what other household members ?

Susanna married Edward Long ca 1837 and they are in the 1840 census of Richmond Co., NC. Edward must have died before 1850. Effie Maude McAlpine Siddall had a small, medal-like certificate showing that Edward Long was a member of an Irish organization called The Orangemen.

I have not found Susanna in the 1850, 60, 70 censuses of NC, AL, MS or Tx. It has been said that she went to live with Alexander Smith McAlpin after the death of his first wife Anson Co. N.C. in 1846. When Alex remarried in 1847 he moved to Barbour Co., Al., and he is in the 1850 census of Barbour Co., Al.

It is believed Susanna was living with her daughter, Frances Hearne, in 1850. (I have not been able to find the Hearne family in the 1850 NC or AL census). Frances's husband died and she remarried in 1857 to Wm. R. Long; she died at Louisville, Barbour Co., Al. ca 1866. Susanna wrote to her brother-in-law, Dugald, and told him what a hard time she was having and he sent Wm. Fletcher Hearne to Al. to bring his sisters and grandmother to Texas. Marrietta said they came by Steamboat to Galveston. I have not found Susanna and the Hearne girls in the 1870 census of Texas. Terry's notes state

no relation to Edward Long –

she lived with Wm. K. in Galveston for a time and then with her son Archibald B. in Montgomery Co., Tx. She was living with Dugald at the time of her death in 1872. It is not known when the spelling of the name was changed from McAlpin to McAlpine but all the present day descendents of John have added the "e".

808. MARY ANN McALPINE (John, Malcolm), was born ca 1805 in NC.; daughter of John and Susanna Parilla (Anderson) McAlpin; died before Sept. 1839?

Married ca 1821 to John A. Moody, Sr.; born ca 1790/1800 in Conn. They are in the 1830 Rockingham, Richmond Co., N.C. census, 1 male 30/40, 1 male 5/10, 1 male 0/5, 1 female 20/30, 1 female 5/10 and 2 females 0/5.

According to probate records of Richmond Co., NC, John Moody was appointed administrator of John McAlpin's estate on 23 Jan. 1828. In the July Term of Court 1829 Joshua Lee, one of the securities of John Moody, claims that John Moody is managing the estate in a wasteful and careless manner. Court summons Moody to appear at the Oct. Term of Court 1829. On 27 Sept. 1839 John Moody of Montgomery Co., NC, in right of his wife Mary Ann, gives up his claim in the lands of the late John McAlpin, Sr. estate to John A. Mc Alpine.

I have not found a John Moody in the 1850 NC census the correct age (born in Conn.) to be this John A. Moody. I do find a Thomas Moody b. 1815 in Conn. in Richmond Co., NC (must be brother), and Thomas Moody 28, that I believe to be his son. In the 1880 census Harriet A. Biles shows that her father was born in Conn. and mother in NC.

873. DR. JOHN ANDERSON McALPINE (Alex, John, Malcolm), was born 11 Nov. 1842 Morven, Anson Co., NC; son of Alexander Smith and Eliza Jane (Pratt) McAlpine; died 23 Apr. 1898 Grimes Co., Tx.; buried Fairview Cemetery, White Hall, Grimes Co., Tx.

Married 4 Dec. 1873 Grimes Co., Tx. to Willie Cabeen Cameron; born 14 Apr. 1857 Oakridge, Morehouse Parish, La.; daughter of John Duncan Cameron and Mary E. (Cabeen) Cameron; died 2 Oct. 1937 Grimes Co., Tx.; buried Fairview Cemetery.

John is in the 1850 census of Barbour Co., Al. in his father's household. His father was in Bossier Parish, La. by 1859 and it is believed that John was attending the Glenville Military Institute, Glenville, Al. He is not found in the 1860 census of Al. He went from the Glenville Military Institute to NC and joined the NC Artillery of the Confederate Army in July 1862, later serving as a Sergeant in Webb's Co. A 5th Battalion.

After the war was over, John and his brother William went to the plantation in LA to live with their step-mother. They tried farming, but being inexperienced and having difficulty getting labor, soon made the decision to sell the plantation. The proceeds were divided between his step-mother, his sister and his brother. John went to Arkansas to work in a drug store. There he "read medicine" under a Dr. Shipley who owned the store. As soon as he could accumulate sufficient funds he went to Louisville, Ky., to enroll in the Hospital College of Medicine (now University of Louisville), from which he graduated in 1870. After graduation John planned to go to a fast growing town at the end of a railroad line north from Houston. He had heard a doctor was needed there. On his way, when he stopped in Galveston, he looked up his uncle, W. K. McAlpine (815), whom he knew was there, and met also his great-uncle, Dugald McAlpin (807), of Grimes Co., who happened to be visiting W. K. At the urging of Great-Uncle Dugald, John decided to change his plans and settle in Dugald's area.

I find a Dr. "James" McAlpine, correct age to be John, in the household of his deceased Uncle Arch, headed in 1870 by eldest son, Wm. K. McAlpine "Little Billy" (945) in the 1870 census of Grimes Co., Tx. He is in the 1880 Grimes Co., Tx. census with his wife and three children; and his wife and family are in the 1900-1910 censuses of Grimes Co., Tx. Living in his widow's household in 1900 is her mother, Mary J. Cameron born Dec. 1830 in Ms.

According to land records of Grimes Co., Tx. he received 1/30 of 6/11 or 300 6/10 acres (0 47) and a "special gift" of a lot in Galveston in the Dugald McAlpin estate in 1876/7.

984. DUGALD ANDERSON "Big Dug" McALPINE (James, John, Malcolm), was born Nov. 1841/2 in NC; son of James and Rachel (Ely) McAlpine; died 18 Nov. 1912 Falls Co., Tx.

Married 16 June 1870 Grimes Co., Tx. to Mary A. Mc Alpine (1C); born Aug. 1851 in Al.; daughter of John Anderson and Martha (Lampley) McAlpine; died 9 Apr. 1924 Falls Co., Tx.; buried Phillip Cemetery, Falls Co., Tx.

Dugald is in the household of his mother and father in 1850 Yalobusha Co., Ms. census as were his grandfather and grandmother Samuel and Mary Ely. He enlisted in the CSA on 12 Feb. 1862 at Grenada, Ms. in Co. C. 1st MS Cavalry Regiment (Grenada Co. formed from part of Yalobusha in 1870). Present on roll Sept. & Oct. 1864. He is listed as a prisoner of war on 13 May 1865 and took the oath of allegiance at Memphis, Tennessee, on that day.

Family tradition says that after the death of their parents the James McAlpine children, Dugald Anderson, Alexander Wesley and Susan Ann when coming to Texas by boat, were in a storm at sea and lost for a time, landing at Galveston in ca 1868/69. If this is true Dugald was ca 26, Susan ca 22 and Wesley ca 9 at the time they set out for Texas (one family member says he was 12). Imagine those young folks, parting forever from their home and setting out for parts unknown.

Another source says that John and Martha (Lampley) McAlpine came thru Ms. and brought the James McAlpine children to Texas in 1868. If I could find any of this family in 1870 census it would help answer a lot of these questions. We do know that Dugald and Mary married in Grimes Co. on 16 June 1870. They are in the 1880 census of Grimes Co., Tx. and, 1900 census of Waller Co., Tx. They moved to Bell Co. ca 1907; Mills Co. by 1910; Falls Co. by 1912. After Dugald's death Mary moved back to Waller Co. They were members of the Reid's Prairie Baptist church and on July 8, 1894 a building program was begun and D. A. McAlpine donated a lot next to the school for the new church.

According to land records of Grimes Co., Tx. he receieved 1/30 of 6/10 or 278 5/10 acres (0 67) in the division of the estate of Dugald McAlpin in 1876/7.

Dugald applied for a Confederate Pension in Bell Co., Tx. in Sept. 1909 tating that, "I am 66 years of age, I reside at RFD # 4, Sparta, Bell Co., Tx. or last 12 months, I enlisted in the CSA in Ms. on Feb. 1862 in Co. C 1st. avalry Reg. and served for three years, I do own 153 acres of land valued at 600 and 3 mules valued at $150. The said land only has 35 acres that can be cultivated. I have sold in the last two years 153 acres in Waller Co. and five head of cattle".

Mary received Widow's Pension #2796 in 1919 at Waller Co., Tx. She states that she is the widow of Dugald Anderson McAlpine, who departed this life on 18th Nov. 1912 in the county of Falls, Tx. Married 15 June 1870 in Grimes Co., Tx. That she was 68 years old, born in Al. and a resident of Texas since 1868 etc. An affidavant was signed by Walter S. Smith of De Witt Co. on 1st day of June 1922, "I will be 75 years old November next; that I am an ex-confederate soldier; served in the Civil War between States, served from 23rd day of July 1863 to close of War in Apr. 1865; was a private in Southern Confederacy, having served even before said July 23, 1863, however, not then as a regular soldier, was a private, in 1st Miss. Reg. in Co. A of Artillery; that one, Dugal Mc Alpin was then, from said date in another company and served in same Regiment like me, as a private; I think he was detailed from a cavalry company; this man also served with me in the shoe department before said July 23rd 1863 etc."

2/mar. 5 Nov. 1857 Barbour Co., Al. to Wm. R. Long; born ca 1825 in SC.

I have not found John and Frances in the 1850 census of AL or NC. I believe they married in Anson Co., NC ca 1841 in the part that is now Stanley Co. before moving to AL. I did find Frances and her second husband Wm. R. Long in the 1860 Barbour Co., AL census. And her son Wm. B. Long in his father's household in the 1870 AL census.

One note in Sterrett's files state that Wm. Fletcher Hearne went back to AL after his mother's death and brought his grandmother and his brothers and sisters to Texas. Another note says that Thomas Jeff. and Sue (McAlpine) Danford left Barbour Co., AL ca 1867/8 going thru Ms. and brought the Hearne children to Tx. Marietta (Hearne) Cochran told Sterrett that she was born at Lewisville, Al. 17 July 1857 and came to Texas by Steamboat when she was 10 years old. I have not found Susanna, the Hearne girls, John A. McAlpine or Thomas Jefferson and Sue (McAlpine) Danford in the 1870 census of Texas.

Careful study of all the old records found makes the folloing scenario seem likely: Wm. Kennedy left NC with his brother Archibald Brown Mc Alpine in ca 1838 and followed his Uncles Angus, Archibald, Dugald and, Malcolm S. McAlpin and Aunt Mary (McAlpin) Campbell Edwards to AL. Angus, Archibald and Mary moved to the MS Territory (now AL) in ca 1816 and Dugald and Malcolm S. followed ca 1829. Wm. K. is in the 1850 census of Marengo Co., AL listed as single, teacher, age 27. He moved to Texas ca 1851 with his Uncle Dugald McAlpin. Malcolm S. had already moved to Jefferson Co., Tx. by 1 July 1837 and later moved to Grimes Co., Tx.

Wm. K. paid taxes in 1852 in Grimes Co. on 4 horses. He is in the 1860 Washington Co., Tx. census. He enlisted in the CSA on 25 Mch. 1862 in Co. C 12th Reg. He participated in the Battle of Galveston with this company on 1 Jan. 1863 and in March was appointed sergeant-major. He was made adjutant in Jan. 1864 and served in that capacity for the duration of the war. After the war he returned to Washington Co. and resumed his farming activities, and operating a ferry across the Brazos River. In the spring of 1867, he decided to move to Galveston and begin a new career as a cotton factor and commission agent in partnership with James Baldridge. He also had a large general merchandise store in partnership with James Baldridge. He was one of the original promoters of the Galveston cotton exchange, and served as its first vice-president and later as president. He is in the 1870, 1880, 1900 censuses of Galveston Co., Tx.

According to records found in the "Laws of Texas" he helped establish the Collegiate Female Institute in Washington Co. in 1860; helped form the Texas Cotton Press and Mfg. Co. in Galveston in 1871 and helped establish Colorado and Post Oaks Island RR from McDade to Bastrop in 1871. He served as president of the Texas Press Company, vice-president and director of the Texas Banking Company, and president of the Galveston Board of School Trustees for two terms. He was a member of the Universal Order of Scottish Clans in Clan McAlpine No. 4, which was named for him. His home in Galveston was at 425 Post Office Street.

According to land records of Grimes Co., Tx. (N-394) he received 5/11 or 983 1/10 acres in the division of the Dugald McAlpin estate in 1876/7

It is believed that Frank left NC with his brother John A. and Martha (Lampley) McAlpine. He is living in their household in 1850 Marengo Co., Al. census, and must have moved on into Barbour Co., Al. with them as he married in 1853 in Barbour Co. He and his wife Epsy are in the 1860 Coffee Co., Al. census. Frank enlisted in CSA in 1862 at Eufaula, Barbour Co., Al. in Co. C Artillary Bat. at the age of 35.

He moved to Texas ca 1868. John A. McAlpine, the Danfords, the McDaniels and Epsy's brother, William Williamson and his family also moved to Texas about this time. He and Epsy are in the 1870, 1880, 1900 Grimes Co., and 1910 Montgomery Co., Tx. censuses. According to land records of Grimes Co., Tx. (N-339) he received 5/11 or 1095 1/2 acres in the division of the estate of Dugald Mc Alpine in 1876/7.

2/mar. 4 Mch. 1826 Greene Co., AL to Zedekiah Edwards; born ca 1760/70; died in AL between 1830-40.

3/mar. ? White.

We know that Mary moved to AL ca 1815/16 with her husband Alexander Campbell as they are listed in the 1816 Mississippi Territory Census in what is now Greene Co., Al. Her brother, Archibald McAlpin was in the 1816 Mississippi Territory Census in what is now Clarke Co., AL, and brothers, Malcolm S., Angus and Dugald McAlpin were in Marengo Co., Al. ca 1825-29.

Alex Campbell received a land grant in Perry Co., Al. on 24 Oct. 1825. Probate records of Greene Co., Al. for Alex. Campbell, decd. "Wm. McMillan, m. Catherie Campbell Guardian, 13 Mch. 1826, Know~~n~~ all men by these presents that Wm. McMillan, Dugald McAlpine and Zedekiah Edwards as held firmly bound unto Wm. Murphy, Esq., Judge of the Orphans Court, in the sum of $800 to be placed in his office.... we bind ourselves ... the condition being that whereas the above bound Wm. McMillan has been duly appointed guardian to Mary Campbell age 17, * William Campbell age 16, Flora Campbell age 15 years and Sarah Campbell age x 12 years, all minor heirs of Alex. Campbell etc.".

Zedekiah Edwards was shown as being a resident of Limestone Co., Al. in 1821 in the Greene Co., Al. land records, "do hereby declare my consent to the provisions of the act of Congress, passed on the 2nd day of Mch. 1821, entitled, "An act for the relief of the Public Lands, prior to the 1st day of July, 1820;" and request that I may have a further credit, agreeably to the 3rd section of the said act, on the balance due or to become due from me as assignee of Henry J. Townsend etc." Original certificate~~d~~ #4014 issued 19 Apr. 1819 on North West section 36, township 20, range 3 East in the District of Lands offered for sale at St. Stephens, Al. to Henry J. Townsend.

Zedekiah and Mary (McAlpin) Edwards are in the 1830 census of Greene Co., AL, 1 male 60/70, 1 female 40/50, 1 female 15/20, 2 females under 5 yrs. of age. Zedekiah and Mary are not in the 1840 census. It is believed that Zedekiah died between 1830-40 and Mary married a White. NO PROOF. According to Terry's notes a man by name of White came to Grimes Co., TX expecting to receive a part in the Dugald McAlpin estate as the son of Mary (McAlpin) Campbell Edwards and was surprised to find he was not her son. I have not found a marriage record in Greene Co., Al. for Mary Edwards and White? In the 1880 census Martha (Edwards) Sullivan shows her father was born in NC.

805. MALCOLM S(MITH) McALPINE (Malcolm), was born 1786 according to cemetery records, and ca 1793/6 according to census; son of Malcolm & Mary (Smith) McAlpine; died 1 Sept. 1866, 80 yrs.; Grimes Co., Tx.; buried Fairview Cemetery, White Hall, Grimes Co., Tx.

Married to Mary ?; born 1830 in LA; she must have died between 1850-55.

"Soldiers of War 1812, North Caroline", shows a Malcolm and Angus serving from Robeson Co., believe these are sons of Malcolm, Sr. NEED PROOF. In the 318 land deeds of Robeson Co., N.C., Malcolm McAlpin, Sr. (S pp 197) deeds for "love and affection", a slave to son, Malcolm McAlpin, Jr., after his death (dated 12 May 1818), and Malcolm McAlpin, Sr. (S 207) deeds 285 acres on Big Middle Swamp to Malcolm McAlpin, Jr. (dated 31 May 1819. It is believed that Malcolm S. moved to AL with his brothers Angus and Dugald ca 1825/6. Malcolm borrowed money from Allen Glover on 1 Jan. 1829 and gave livestock and crops as security. He is in the 1830 census of Marengo Co., Al. living alone. Dugald is listed as head of a household, 2 males 30/40. Angus must be the other male listed.

Angus and Dugald McAlpin purchased from Malcolm S. McAlpin 80 12/100 acres in Margeno Co., Al. on 7 Apr. 1835 and Malcolm set out for Texas. In 1837 he received Second Class Certificate #15, "Republic of Texas, County of Jefferson (now Orange Co.). This is to certify that Malcolm S. McAlpin has appeared before us the Board of Land Commissionery, for the County aforesaid and stated that he was in the Republic subsequence to the declaration of the Independence, on or about the 1st day of July 1837, and that he is a single man and entitled to six hundred and forty acres of land etc". He is listed in the 1850 census of Jefferson Co., Tx. with a wife Mary, age 20, born in La.

and son Daniel age 3. His brother Dugald McAlpin and nephew William Kennedy McAlpine moved from AL to Grimes Co. Texas ca 1851/52. Malcolm paid taxes in Grimes Co. in 1856 on a horse and cattle, and on 640 acres in Orange Co. (was Jeff. Co.). In 1857 he paid taxes on 100 acres in the J. J. Whiteside Survey, 8 negroes, 4 horses, 300 cattle and misc. of $375. Total Value $6475.00, and 600 acres located in Orange, Co. In 1858 he paid taxes on 100 acres, 16 negroes, 6 horses, and misc. for total value of $7875.00, and 640 acres in Orange Co. He paid taxes on the above property thru 1866 at which time his son Daniel is listed as Ex. of his estate.

Children:

1136 i. Daniel McAlpine b. 7 Aug. 1846.

REFERENCE:

No proof Daniel born in Jeff Co, TX.

1136. DANIEL McALPINE (Malcolm S., Malcolm), was born 7 Aug. 1846 in Jefferson Co., TX; son of Malcolm S. & Mary McAlpin; died 7 Aug. 1873; buried Fairview Cemetery, White Hall, Grimes Co., Tx.

Married 28 July 1870, Grimes Co., TX to Molly Smith; born ca 1850 in AL; daughter of S. J. & Sarah Smith.

Daniel is in the 1850 census of Jefferson Co., Tx. census, age 3 and the 1860 Sabine Co., Tx. census as Daniel McCalpin (head of household), age 13, Unclear living on property but another household was David Renfro, age 56 born Ky. I find a Henry McAlpin living next door to Dugald McAlpin in the 1870 census of Grimes Co., Tx. that I believe to be Daniel. NO PROOF.

Children:

1137. i. Mary Estelle McAlpine b. July 1872.

1137. MARY ESTELLE "Stella" McALPINE (Daniel, Malcolm S., Malcolm), was born July 1871/2 in Grimes Co., Tx.; daughter of Daniel and Molly (Smith) McAlpine; died 1939, Grimes Co., Tx.; buried Fairview Cemetery, Grimes Co., Tx.

Married 13 Dec. 1896 Grimes Co., Tx. to Noah W. Lyles; born July 1874 in Al; died 1951; buried Fairview Cemetery, Grimes Co., Tx.

No children.

Stella, age about five at the time, received $4,000, in trust, from the division of the estate of Dugald McAlpin in 1876/7.

806. ANGUS McALPINE (Malcolm), wa born ca 1790 Robeson Co., N.C.; son of Malcolm and Mary (Smith) McAlpin. Will filled ca 1839 in Marengo Co., Al.

Angus was in the War of 1812 in NC. His father deeded him a slave in 1819 (S pp 181). Malcolm Sr. is in the 1820 census of Robeson Co., N.C. with one

we think

male 26/45 living in his household. I believe this to be Angus. He probably left NC for AL after his father's death in 1827. He purchased property in Marengo Co., Al. in 1829 and the 1830 census shows a male the correct age to be Angus in Dugald's household. Angus never married. He was a Tailor by trade. He died after 13 May 1839 and before 1840 census. According to deed records of Marengo Co., Al. he gave Dugald 65 slaves, livestock, equipment, cotton gins etc on 13 May 1839.

807. COL. DUGALD McALPIN (Malcolm), was born ca 1795 Robeson Co., N.C.; son of Malcolm and Mary (Smith) McAlpin; died 31 May 1876 Grimes Co., Tx.; buried Fairview Cemetery, Grimes Co., Tx.

Never married.

According to land records of Robeson Co., N.C. (S 207), Malcolm McAlpin Sr., deeded for "love and affection", a slave to sons, Dugald and Angus McAlpin, dated 2 Oct. 1819.

Dugald was in Greene Co., Al. by 1826, "Orphans Court, 13 Mch. 1826 Wm. McMillan, Guardian for minor heirs of Alex Campbell. Bond, Wm. McMillan, Dugald McAlpin and Zedekiah Edwards". He is listed in the 1830 census of Marengo Co., Al. as head of the household with two males age 20/30 and 9 slaves in his household. It is believed the other male 20/30 was Angus. According to Terry's notes Judge Anderson says Dugald had a cane-brake plantation between Union Town and Dayton. Union Town is on the county line of Marengo and Perry Counties. Dugald purchased land in Marengo Co. from 1833 thru 1850. On 3 Jan. 1835 Dugald and Angus purchased 183.12 1/2 acres from Malcolm S. McAlpine and Malcolm set out for Jefferson Co., Tx. Angus gave to Dugald on 13 May 1839 his lands, 65 slaves, livestock, equipment, cotton gins and etc. He must have died shortly after. Dugald is in the 1840 census of Marengo Co., Al, one male 40/50; 1 male 30/40; 3 males 20/30; 1 male 15/20, and 69 slaves. It is believed that some of the Campbell and McMillan children lived with him for a time. On 2 May 1840 "The Democrat", published at Huntsville, Al., ran an editorial "Madison County, Runaway slave commited to jail .. says he belongs to Dugald McAlpin of Marengo Co."

On 30 Mch. 1846 Dugald McAlpine for $100 purchased from Michael Bean (C 284) the right to make and sell a machine to plant cotton seed that Bean had patented. Dugald is in the 1850 census of Marengo Co., Al.; age 61; born in NC; Value of real estate $155,300; value of personal estate $89,457. On 1 July 1850 he sold 400 acres for $4,000 to Francis S. Lyon and left Al. for Texas.

Wm. K. and Dugald McAlpin paid taxes in Grimes Co. in 1852. Dugald paid on 1,082 acres valued at $4,500 in the J. E. Groce League, 61 negroes valued $24,400, 33 horses valued at $900, 166 cattle valued $581, wagon & oxen valued at $400. Total Value $30,861. He paid a State Tax of $46.22 and County Tax of $23.10. He settled at Elm Grove, just north of Highway 2, near what is today the Lynn Grove area.

According to the 1863 Tax Rolls of Grimes County, Dugald owned 93 slaves and his net worth was $175,280. In 1865 no slaves are shown on the tax rolls as they had been set free. He paid taxes on 10,495 acres valued at $103,500. His net worth dropped from $175,280 in 1863 to $110,700 in 1865; the Civil

War had cost him dearly. He died on 31 May 1876 and the tax rolls of 1877 show his estate paid taxes on 12,015 acres in Grimes Co. (4,411 acres in J. E. Gorce Survey; 2,305 acres in C. Wallace Survey; 1,315 acres in J. J. Whiteside Survey; 2,212 acres in S. Fulton Survey; 700 acres in J. E. Groce Survey; 500 acres in J. E. Groce Survey; 320 acres in J. J. Whiteside Survey and 212 acres in J. Darwin Survey); net worth $89,905.00.

GILLIAM FAMILY HISTORY

The first mention of the Gilliam name in America appears in a patent granted Joseph Royall Aug. 20, 1642, in Henrico County, Va. for the transportation of 12 persons, among whom were John and Thomas Guilham. They are undoubtedly the John, age 21, and Thomas Gillam, age 18 years, who sailed from Gravesend, England, bound for Virginia on Aug. 21, 1635, on the "George", master, John Severne. They were probably brothers.

On Oct. 1, 1687, the following deed was made by Henry Randolph, II, to Mrs. Margery Guilliam, relict of John. Mrs. Margery Gilliam married, secondly, ca 1680, Henry Briggs (1635-1686) of Surry Co. Mrs. Margery Gilliam-Briggs died in 1688. Children: (1) Elizabeth Gilliam, 1/mar. West, 2/mar. Wm. Bevin, 3/mar. Francis Mayberry; (2) John Gilliam Jr., mar. Sarah; (3) Hinchea Gilliam, mar. WOODS FAMILY HISTORY

JOHN WOODS born ca 1654 in England is said by some to be the son of an English Trooper, in Army of Oliver Cromwell in 1649, who settled in County Meath, Ireland. His will proved 24 Jan. 1730 in Ireland. He 1/mar. Ann Bedlow; 2/mar. Eliz. Worsopp ca 1681; d/o Sir Thomas Worsopp and Eliz. Parsons. Mrs. Virginia McDonough of Dallas, Texas visited Ireland in 1985 and hired a researcher, Harry McDowell to research the Milverton papers, still held by Mrs. Wentages, nee Woods. He states that the Milverton papers clearly indicate that there were at least two families of Wood/Woods with interests in Dunshauhlin in the eighteenth century. John and Elizabeth Wood lived at Rossmead, County Westmeath, and before that, at Garclony, Barony of Kells, County Meath, not actually in Dunshaughlin. He found in Mrs. Wentges' documents, the original Will of Mrs. Elizabeth Wood nee Worsopp. Will proved 1741. From this Will and the Will of her husband, his father and grandfather, Richard Woods of Dublin, Merchant, who left an only son, and died 1674; it is clear that John and Elizabeth Wood died without issue. This research did not prove the parentage of Michael Woods of Blair Park but it did prove that he was NOT the son of John and Elizabeth (Worsopp) Woods.

MICHAEL WOODS SR, of Blair Park was probably the son of John Wood of Dunshaughlin, Innkeeper; born 1684 County Meath, Ireland; will prob. June 1762 Albemarle Co., Va.; married ca 1704/5 in N.Ireland to Mary Campbell d/o James and Susan Campbell. He left Ireland in 1724 with his family and his sisters family Eliz. Wallace (Wd. of Peter Wallace) and settled in Lancaster Co., Pa. They migrated by war of Shenandorah Valley to what is now Albemarle Co., Va. where he secured a grant for more than 1300 acres of land in what was then Goochland Co., Va. from King George II of England in 1737. His home Blair Park is located in Albermarle Co., Va. in the beautiful Piedmont Valley at the foot of the Blue Ridge Mountains. An advertisement in the Real Estate Magazine in 1935 list property as containing one hundred and sixty-five acres for sale for $30,000.00. A picture of this large, beautiful house is listed.

COL. WM. WOODS, was born ca 1705/15 at Castle Dunshaughlin, Ireland (the Castle was really a fortified house); died 12 Apr. 1782 Greenbrier Co., Va.; married Susannah Wallace d/o Peter Wallace Sr. and Eliz. Woods. Immigrated to America with his father, Michael Woods of Blair Park. He served in French and Indian War with a Rank of Col. Also served as Col. in the Rev. War. He received land grants in Greenbrier Co., Va. for his military service.

JOHN WOODS, was born c1751 in Va; died 19 Apr. 1815 in Salem, Franklin Co., Tn.; married 30 Apr. 1778 Greenbrier Co., W.Va. to Abigail Estill d/o Capt. Wallace Estill and Lady Mary Ann Campbell (d/o John Campbell of Scotland). He enlisted in the Rev. War in May 1776 in Greenbrier Co., Va. and served under Col. James Estill. Moved from Va. to Ky ca 1784 and moved to Franklin Co., Tn. near the town of Salem in 1808 near Bean's Creek.

ESTILL FAMILY HISTORY

The name d'Estelle is recorded in Provience, France in 1525, but earlier it is spelled Esdaile, pronunced Estill, and that spelling was used by Sir James Esdaile, who was Lord Mayor of London in 1778. He was a descendant of the French family and he used the same Arms.

Estill Arms: Azure, with three mullets or, placed one above two, the top of the Shield being gules, having a lion of argent, passant. Suppoerts, two lions with marguis crowns. The Crest, a lion issuant, holding a sword in the left paw. (The coronet and supports are personal to the Marquisate, d'Estelle, Lord of the region of Aren, Provence, France, and so are omitted.)

Jean Andre d'Estelle, a nobleman, and Jeannette Pastier, a noble lady, were married in Province, France, on Dec. 12, 1525. As the marriage was by Civil contract, attested before a notary and not by a Priest, it is evident that they were Protestants, later called Hugeonots.

The descendant of Jean Andre and Jeannette d'Estelle, Balthazar, fled with his family to the Netherlands, after the Massacre of St. Baetholmen in 1572, thence to England.

An Estelle was born in Ireland in 1623. He moved to England during the reign of Cromwell; with twelve other families, he emigrated to America to escape religious persecution and settled in the Colony of New Jersey.

As this Estelle is said to have married a Miss Wallace, we can identify him as Thomas Estelle, whose wife was a descendant of Sir William Wallace of Scotland, and who landed at Neversink Highlands, NJ, in 1664 with his two brothers, Daniel and William d'Estelle. They settled in Middletown and Shrewsbury, now Monmouth County, NJ. On the day of landing, a son was born to the wife of William, said to be the first white child born in New Jersey.

Daniel d'Estelle married Margaret Browning at Gravesend, Long Island in July 1666. His children are said to be William, Daniel and Thomas.

Thomas d'Estelle married Miss Wallace in 1670, and had a son John. This John d'Estelle was the father of Wallace Estill.

Wallace Estill was born in New Jersey in 1702. He joined the great Scotch-Irish migration to the Shenandoah Valley of Virginia in 1746 and settled on Cowpasture River on land bought from the Borden Patent and built a home at Fort George four miles from the present town of Williamsville, Bath County, Va. Ft. George was built on Wallace Estill land ca 1755. In 1773 he moved to Indian Creek in Monroe Co. (now Greenbrier Co.), W.VA where he erected a large three story stone house. He died in 1792. His will is recorded in Lewisburg, W.VA. The stone house he built in 1773 is now owned by Mrs. Adonna L. Dowdy, Rt. 1 Box 85, Union, W.Va. 24983. Mrs. Dowdy had the house placed on the National Register of Historic places on Apr. 9, 1984.

The name of his first wife is not known. It has been said that she only lived three months after their marriage. 2/mar. to Mary Boude. They had six children. Mary died Jan. 1746 and is buried in Clover Creek Church Cemetery cross the road from the fort site.

In ca 1848 Wallace and Lady Mary Ann Campbell eloped and were married. She was the seventeen year old daughter of John Campbell of Scotland. They had nine children.

STIFFLEMIRE FAMILY

STEPHEN STIFFLEMIRE/STIEFFELMEYER, was born ca 1729 in Germany. In the book "Pennsylvania German Pioneers" on page 420, "154 persons .. Wirtemberg, Dourlach, Zaeybrect, Palatinate. The Foreigners whose Names are underwritten, imported in the Ship LYDIA, Capt. John Randolph, from Rotterdam, but last from Cowes in England, did this day take the usual Qualifications to the Goverment at the Court House at Philadelphia, Monday, the 9th Oct. 1749, Stephen Stieffelmeyer".

Stephen Stifflemire received 200 acre land grant in South Caroline, adjoining land of John Seale, Geo. Sterland and Capt. Chas. Russell, below Ox Creek. Ox Creek is now called Lyons Creek. The Plate Map of Amelia Tws., Calhoun Co., SC (was Orangeburg Co.), does not show a date he received this grant. It does show that the old River Road crossed his property going east and west and the Road to Camden going south. The "Combined Colonial Index of SC.", shows adjacent landowner of Casper Brown in 1772, Berkeley Co., SC. to be Stephen Stoffelmayer. He is listed on the Grand Jury 1778-79 in Orangeburg Dist., St. Matthew Dist., South Fork of Edeston and Savannah River.

Stephen Stifflemire is listed in the 1790 St. Matthew Parish, North Park Dist., Orangeburg Co., SC. as was Henry Stifflemire. Listed in Stephen's household was 2 males under 16 and 3 females. From this it would seem that Stephen was decd. Listed in Henry's household was 1 male under 16; 3 males over 16 and 2 females. No Stifflemire's found in the 1800 census of SC and the Court House at Orangeburge burned and most of the early records have been lost. I believe, NO PROOF, that Henry was the son of Stephen and the father of our John C. and Thomas Stifflemire.

The Combined Colonial Index, SC", shows a John Stifflemire as adjacent landowner, in St. Pauls Parish (Colleton Co.), to Henry Cone/Koon (no date given). He is in the 1810-20, St. Matthew Parish, Orangeburg Co., SC. He married Elizabeth. John died before Jan. 1834. Records from the Court of Equity of Orangeburg Dist., SC 1824-37, #154, F. Switzler vs W. Gates - orderded that the land of John C. Stifflemire, decd. be divided among the parties in interest. Said real Estate being the tract on which the said John C. Stifflemire resided, the tract originally granted to Stephen Stifflemire containing two hundred acres. Said real Estate to be sold at public auction Jan. 1834.

CLOYD/CLOUD FAMILY

Wm. Cloud was born in England. Son of Wm. Cloude and wife Joanne of Calne, Wiltshire, England; and grandson of Thomas and Jane (Nycholas) Cloude of Calne, England; married June 1674 to Susan James; will dated 20 July 1700; pro. 25 Aug. 1702 at Philadelphia, Pa. He came to this country late in 1682 or early in 1683, bringing with him probably his wife, and certainly children. His son, Joseph, had preceded him to America. He apparently lived in Concord Tp., Chester Co., Pa. He belonged to the Chichester Friends Meeting, now Delaware Co., Pa. His Delaware land was located in Rockland Manor, Brandywine Hundred, New Castle Co., Delaware, about six miles north of Wilmington. In his will this land went to his son, Jeremiah, and Wm., one shilling each to sons John, Joseph and Robert Cloud; to daughter Susannah Lukins one shilling; to grand-daughter Hannah Cloud, d/o Jeremiah, the residue. Hannah named Ex.

Children: 1. William; bapt. 29 July 1648; died 1720; mar. Grace Willis; 2. Joseph Cloud; b. 26 Sept. 1651; Will pro. 19 Oct. 1739; mar. Mary (Greene) Moore; wd. Phoebe Neale; 6. Jeremiah Cloud, b. 7 Feb. 1658/9; d 1717; mar. Eliz. Bailey; 7. One of twins b. 2 Mch. 1663/4; DY; 8. John; b. 2 Mch 1663/4 (twin); Will pro. 10 Dec. 1744; mar. Ann Beeson.

The documented history of our Cloyd family has its beginning in Clarke Co., Al. Martha Cloyd was born ca 1820/22 in Al, married Jacob Stifflemire in Clarke Co., Al. 14 Nov. 1836. The name of her father is unknown. We do know that her mother was Elizabeth Doddridge born c 1790/1800 in Ga., and probably married ca 1819/20 to ? Cloyd. Her father Noah Doddridge was in Montgomery Co., Al. by 1813. He is listed in the 1816 Mississippi Territory Census in what is now Clarke Co., Al. In the 1820 Monroe Co., Al. Milita Officers, 26th Regt. I find a Capt. Thomas Cloud. This Thomas would have been the correct age to be the father of Martha Cloyd, he is not found in the 1830 census of Al. Since Eliz. married second John Bettis 6 Jan. 1824, it would seem that her husband was decd.

Martha's grandfather, Noah Doddridge was in Hancock Co., Ga. by 1786 as was Jeremiah Cloud. He is listed in the 1805 Ga. land Lottery as was Ezekiel Cloud. In 1809 Noah Doddridge of Baldwin Co. sold to Joshua Cloud of Hancock Co., Ga. land in Laurens Co., Ga. Noah Doddridge is listed in the 1810 Baldwin Co., Ga. census and living next door was a Joshua Cloud. Jeremiah Cloud was in the Ms. Terry (Madison Co., Al.) by 1812-15 and Montgomery Co., Al. by 1816. He moved to Austin Co., Tx. by 1836. The 1830 census of Al. listed the following: Frank Cloyd, Jackson Co., Jason P. Cloyd, Madison Co., Samuel G. Cloyd, Monroe Co., Wm. Cloyd, Madison Co., Wm. Cloyd, Pike Co., H. G. W. Cloud and Jeremiah Cloud, Montgomery Co., Al.

Dr. Adam Cloud (Robert, Joseph, Robert, Wm. Sr.), was born 30 Dec. 1759 Delaware, died 26 May 1834 at Brazoria, Tx.; married 31 Jan. 1788 Delaware to Mary Grandin. He purchased land in Franklin Co., Ga. ca 1798. He represented the Episcopal Church of Mississippi Territory (now Clarke Co., Al.) in 1799. His son Samuel G. Cloud married the wife of Wm. E. Travis, Mrs. Rosanna E.

(Cato) Travis in Monroe Co., Al. in 1836 and his son Rev. John Wurts Cloud born Ga. 18 Feb. 1797; 1/mar. Sarah Adeline Hull; 2/mar. 1837 in Harris Co., Tx. to Rebecca Johnston; died Washington Co., Tx.

Listed in the 1840 Austin Co., Tx. census are Jeremiah & Eliz. (Noble) Cloud and their sons (John) Clark and Mary (Griffin) Cloud, (Andrew) Jackson & Nancy (Wood) Cloud, and James M. & Jane Cloud. In the 1850 Census of Austin Co., Tx. are Jeremiah & Eliz. (Noble) Cloud (according to death notice he was born 1784 Twiggs Co., Ga. died at Caney Creek 6 Apr. 1861); H. G. W. & Mary (Baleman) Cloud (b. 1810 Ga); James M. and Jane Cloud (b. 1811 Ga); John (Clark) Cloud (b. 1815 Ga.); and Nevett Cloyd (b. 1822 Al).

It is not know what relationship the Cloud's of Austin Co. were to Nevit/Nevett Cloud/Cloyd; born ca 1821/22 in Clarke Co., Al. but it is believed he was a nephew to Jeremiah. No Proof. Nevit married 21 Sept. 1840 Clarke Co., Al. to Eliz. Macon; born 1826 Al; d/o Gideon A. Macon and Nancy Pugh. He came to Texas by 1847/8 with his sister and her husband Jacob and Martha (Cloyd) Stifflemire. Eliz. died at Hempstead, Tx. Nov. 1849, Austin Co., Tx. (now Waller Co., Tx.) and is buried at Cedar Creek Cemetery. In the 1850 census of Austin Co., Tx. Nevitt is living in the household of James Bell and his daughter's, Ophelia and Mary Cloyd are in the household of Rev. Wm. J. and Drusilla Wilson's family, as was a Wm. Wood, age 50, born in SC. He later married Rebecca Bell; born Feb. 1833; d/o James Bell and Margarette Grimes; Nevitt was shot at Hempstead 14 Nov. 1867/8 and died later of gunshot wounds. He is buried at Cedar Creek Cemetery, Waller Co., Tx.

DODDRIDGE FAMILIES

The lineage of the Doddridge Line in England may be found in "Doddridge Chapel Community" by Cecilia Raup. According to this record the Doddridge name can be traced back to the days when the Saxon ruled England. "During the reign of Edward the Confessor (1042-1066) there lived a man named Dodo according to the "Doomsday Book" who held many Manors in the County of Devonshire. He build his house on a ridge and it was most natural also that Dodo's ridge should become in the language of the natives Doderidge.

The documated history of the American branch of the Doddridge family starts with John Dodderidge, Lord of Manor, Credition - 1500; Woolen Merchant who married a Miss Smith. He had two sons Henry (left no descendants) and Richard born 1619; married Joan Badcock; eight children: John, Robert, Pentecost, Amy, Elizabeth, Dorothy, Peter and Philip. Philip Doddridge, the youngest son of Richard Doddridge, left Barnstaple and went to Isleworth, Middlesex; married Susan Agmondesham d/o Sir Gidean and Dame Ann Agmondesham. Children: Rev. John, Susan, Gideon, Anne, Philip, Elizabeth.

Rev. John Doddridge; born 1620; married Kimburrow Bures. He was a minister of the Presbyterian church at Twinkenham, Middlesex. He died at Brentford in 1689. In his will he mentions five children: Phillip (1646-1702), Samuel, Elizabeth, Daniel (1653-1715), Joseph and Kumburrow.

It is with Joseph, the youngest son that the American branch of the family is especially interested for according to available records it seems he is the ancestor of this branch of the family in the United States.

The Doddridge family does not have proof of who the immigrant to this country was, or where he settled, or the date he came. We no according to the will of Rev. John Doddridge of Shepperton he had a son named Joseph and according to the will of Philip another of his sons, John is given as the eldest son of this Joseph. We know his son, Philip, left home to become steward to the Duke of Bedford; Daniel, another son, went to London to seek his fortune but what became of his son Joseph and his son, John Weal Doddridge, is not known.

However, according to the land records of Baltimore and Arundal Counties in Maryland, a tract of land called "Doddridge's Forest was surveyed in 1695 to a John Doddridge and his wife. A Joseph Doddridge was owning land near Hagerstown and Fredericktown, Maryland, about the year 1749. This Joseph Doddridge had married Mary Biggs. We have proof that Joseph and Mary had sons Philip and John. Philip had a son John and this John had two sons Joseph and Philip. This Joseph and his wife Mary, lived in Maryland until 1762 when they moved to Friend's Cove, Bedford Co., Pa. It is believed all their children were born in Maryland. Philip, the eldest was born in 1737 and moved to Indiana in 1814. Tax records 1753-63 shows that Joseph owned a farm "Antietam Level" situated along Antietam Creek in Washington Co., Maryland. Their life on the frontier during the ensuing years has been most authentically preserved by his son Joseph in his book "Notes on the Settlement and Indian Wars 1763-1783 Inclusive". The following quotation is from this book. "In the spring of 1773 my father with his small family of three children came over the mountains to the new settlement etc" It was on this farm that the first

Doddridge Chapel in America was built - a log church which stood for over 100 years.

Noah B. Doddridge was born ca 1760/70 in Maryland. The name of his father is unknown. He purchased land in Hancock Co., Ga. on 10 Feb. 1796, 1805 in Green Co., Ga. According the Baldwin Co., Ga. land records he was a resident of Baldwin Co. in 1809 and owned land in Pulaski and Laurens Co., Ga. He is listed in the 1816 Mississippi Territory Census (now Clarke Co., Al.). His will is probated at Clarke Co., Al. on 3 June 1839, "beloved wife Constantine and children William Doddridge, Noah Doddridge, Jonathan Doddridge, Eli Doddridge, Elisha Doddridge and the children of my daughter Elizabeth Murphy to wit-Hiram Cloud, Nevet Cloud, Mary Bettis and A. J. Benson my grandson (son of daughter, Eleanor)". Martha Cloyd is not listed in her grandfather's will.

(7). Eleanor "Nelly" Doddridge born ca 1798 Ga.; 1/mar. A. J. Benson ca 1814 in Ga; 2/mar. 22 Dec. 1823 Clarke Co., Al. to Stephen Woolmen.

Elizabeth Doddridge born ca 1790/1800 in Ga. 1/mar. ? Cloyd prob. ca 1820 in Al.; 2/mar. 1 Jan. 1824 Clarke Co., Al. to John Bettis. She must have Divorced him as she married for the third time on 21 Dec. 1837 to Wm. M. Murphy. In the 1830 census of Clarke Co. she is living in the household of her father with 2 sons and 3 daughters. In the 1880 census Martha (Cloyd) Stifflemire shows her father was born in Va. and her mother in Ga.; Eliz. died after 1842.

INDEX

Since this is a history of the Klepper/McAlpin families, the names of some members appear many times. They are not indexed each time unless the information is material to their own record. Names of Public figures, witnesses and others that have no connection with the family except for historical background are not included.

The parents of brides and grooms are given in the text where the information was available. Look for them under the names of the bride or groom in this index.
